Justice isn't just about punishment so why do our prisons act like it is When Umberto Schramm was sent to prison for a mistake he will regret for the rest of his life he expected punishment but also rehabilitation What he found instead was a system so broken that it often made prisoners more likely to reoffend not less Part diary part manifesto for change The Happy Prisoner is a searingly honest account of life behind bars from the violence and deprivation to the unexpected moments of hope Through his time inside Schramm came to a radical but vital conclusion if we truly want safer streets prisons cannot just punish they must rehabilitate And as much as it goes against our instincts only a relatively happy prisoner is one who can change grow and learn from his mistakes But in the UK an overcrowded underfunded and contradictory system is failing on every front With unflinching insight Schramm exposes the flaws at the heart of British justice and argues for a new way forward one that would cost less work better and ultimately create fewer victims of crime Challenging humane and deeply personal The Happy Prisoner forces us to ask what kind of justice system do we really want *English in Mind Starter A Combo Teacher's Book* Claire Thacker,Cheryl Pelteret,2007-07-23 The English in Mind Combos offer flexibility in a contemporary English course for teenagers Each Combo contains eight Student's Book units with the corresponding Workbook material grouped into two modules and offers approximately 40 to 45 hours of classwork Clear learning objectives at the beginning of each module plus Check your Progress sections at the end help students and teachers plan learning more effectively There are free Audio CDs CD ROMs combining an interactive CD ROM and audio material The English in Mind Combos can be used with mixed ability classes Combo Starter A is for complete beginners Combos 1A and 1B are for elementary students 1A contains a 16 page starter section to review key language Combos Levels 2A 2B 3A and 3B take students from pre intermediate to intermediate level *CD Review Digest* ,1992
