The Philosopher's Index ,1982 Vols for 1969 include a section of abstracts **Arts & Humanities Citation Index** ,1997 *Insights the Natural Inspired by the Spiritual* Samuel Solar,2012-07 You might have asked yourself many times who the author of it all is From whom has all this passion come or entered in us In our daily lives we experience a lot of anxiety emptiness and conformity But there is a unique treatment for our heart body and soul There is a special place in us calling out for a home A rescue is at our door and words from the living God are waiting to be personal to us He wants intimacy In *Insights The Natural Inspired by the Spiritual* you will find yourself deep inside a rescue mission or a prophecy or a lighted tunnel leading you to your special place You want to find everything you ever needed to survive this unsolved dream You need revival tools and you need a voice to speak with You ll be provided with many positions words and selfless actions in what you re getting into **Divine Insights** Karen C. Boone,2013-01-26 *Singing the Way* Patrick Laude,2005-02-02 *Singing the Way* explores the relationship between poetry and true contemplation Author Patrick Laude seeks first to disperse romantic notions of how the poetic process works but goes on to suggest that it is inherently more profound than modern practitioners imagine Laude tells us that in itself true poetry is transformative since it brings the soul and all its faculties under the catalytic spell of the sacred through the mediation of rhythm and the lure of imaginal and verbal beauty *Singing the Way* illustrates its points through examples drawn from five rich spiritual and poetic traditions viz Hinduism Sufism China Japan and the European Neo Platonic and Romantic current *The Journey Along the Way* Raja Williams,2014-01-07 PrefaceIt is so easy to coast through life in the simplicity or hardships of the journey that we are currently living in Day after day waking up only to repeat the day before Wake up eat get dressed go to school or work come home eat relax and then go to bed just to get up and do the same or some other similar scenario again tomorrow This is what we have come to call living The question is are you living the life that you would like to live In 2006 my journey was suddenly awakened when I finally said Enough I had questions and there had to be a way to feel more fulfilled and connected with the world I was tired of feeling like my life as a single parent raising five children for the previous ten years alone was Stuck stuck on repeating struggles day after day At the time I did not understand or comprehend that my thinking patterns allowed me to remain stuck The old saying goes You can t control what is out of your hands but the truth is it depends on how you think about it It was time for me to find a new path to walk upon and learn new patterns of thought I knew there were answers to be found I was drawn by the vibration of the Spiritual Enrichment Center in Northern California and knew after my very first time attending Sunday Service I was home It was here I was given spiritual tools to transform my personal life I spent the next several years learning to discover peace of mind healing and inspiration It is here that I learned the power of our thoughts made manifest It is true what we think takes shape We create our lives *Insights* Mitra Politi,2020-09-19 *INSIGHTS* reveals a poetic voyage of indomitable human spirit From a life shattering experience Mitra uses the written word
