**"Not Your Inspiration Porn: Just a Disabled Girl Owning Her Ableism"** Tylia L. Flores, 2025-07-01 For those who know me you might notice something a bit different about this book This isn't your run of the mill inspirational tale of overcoming adversity or proving the naysayers wrong Nope This is just me a disabled woman with cerebral palsy owning my ableism unapologetically I grew up in a time when we threw around terms like special needs handicapable and differently abled like confetti at a parade But somewhere along the line the disability community decided to trade in those labels for a new one ableist And let me tell you I've been called an ableist more times than I can count And you know what I'm proud of it That's right I've been living with cerebral palsy for 30 years and I've earned the right to define my own experience So if you're looking for some feel good triumph over tragedy story you might want to put this book down now But if you're ready for some real talk a healthy dose of humor and maybe even a bit of controversy then buckle up In *Not Your Inspiration Porn* I'm diving into how society's views on disability have shifted how we've become so quick to judge and why I'm done letting others dictate how I should feel about my own life This is my story my journey and no one else's So if you're ready to challenge your perceptions and maybe even laugh a little welcome Let's get into it *Social Media Freaks* Dustin
