The Instant it Happened Wes Gallagher, 1975 Katha Urvashi Butalia, 2013-01-02 Women's stories in India have been handed down from generation to generation enriched and embroidered along the way Political change and the arrival of print culture meant that storytelling was pushed into the background But in more recent times these voices have once again come centre stage confident varied and complex Spanning half a century this collection covers many languages and cultures and reflects the vast and complex cultures of the country and its diaspora It offers a view of the changes that have taken place both in terms of the subjects women choose to write about and their preferred way of writing about these subjects From established names such as Mahashveta Devi to the newer generation of young authors such as Tishani Doshi Katha brings to the reader a vivid array of voices Instant it Happened , 1972 **Thomas Aquinas's Quodlibetal Questions** Saint Thomas (Aquinas), 2020 Thomas Aquinas was one of the most significant Christian thinkers of the middle ages and ranks among the greatest philosophers and theologians of all time In the mid thirteenth century as a teacher at the University of Paris Aquinas presided over public university wide debates on questions that could be put forward by anyone about anything The Quodlibetal Questions are Aquinas's edited records of these debates Unlike his other disputed questions which are limited to a few specific topics such as evil or divine power Aquinas's Quodlibetal Questions contain his treatment of hundreds of questions on a wide range of topics from ethics metaphysics philosophy of mind and philosophy of religion to dogmatic theology sacramental theology moral theology eschatology and much more And unlike his other disputed questions none of the questions treated in his Quodlibetal Questions were of Aquinas's own choosing they were all posed for him to answer by those who attended the public debates As such this volume provides a window onto the concerns of students teachers and other interested parties in and around the university at that time For the same reason it contains some of Aquinas's fullest and in certain cases his only treatments of philosophical and theological questions that have maintained their interest throughout the centuries *False Advertising* Dianne Blacklock, 2009 Helen always tries to be a good person She recycles obeys the water restrictions she is even polite to telemarketers As a mother wife daughter and nurse Helen is used to putting everyone's needs before her own But it only takes one momentary lapse of concentration to shatter her life forever There was no such momentary lapse for Gemma Her customary recklessness leaves her pregnant alone and estranged from her family with her once promising advertising career in tatters So when Gemma barges unceremoniously into Helen's life things will never be the same again for either of them Two very different women who have one thing in common their lives have fallen short of their expectations But is fate offering them a second chance **Chronic Aftershock** Jean-Philippe Mathy, 2021-09-10 The terrorist attacks of 11 September 2001 were a local event that nevertheless elicited strong reactions throughout the world The unprecedented strike on the continental United States its instantaneous broadcast and its global stakes placed 9/11 at the centre of ideological debates that still rage today The impact was especially felt in

France Chronic Aftershock looks at the significance of 9 11 in France as documented by prominent politicians public intellectuals journalists sociologists political scientists philosophers novelists and conspiracy theorists In his comprehensive account Jean Philippe Mathy addresses the rise of a small but influential group of self described anti anti Americans who shared the views of American neoconservatives in support of regime change in Iraq the media controversy involving French Evangelical churches response to the religious views of George W Bush the widespread I am Charlie movement following the attacks against the offices of Charlie Hebdo and the unending French national debate on the place of the Muslim community in a secular universalist republic The book also considers the November 2015 Islamist attacks in Paris often described as the French September 11 Combining approaches from intellectual history cultural studies and literary criticism Chronic Aftershock explores the legacy of 9 11 and recent instances of transatlantic divide to provide an innovative and timely assessment of the radicalized violence that remains a major threat in today s world

Consciousness and the World Brian O'Shaughnessy,2002 Brian O Shaughnessy presents a bold original theory of consciousness one of the most fascinating but puzzling aspects of human existence He investigates what consciousness is and how it engages through perception with the world Whatever mystery there may be about origins of consciousness O Shaughnessy suggests that there is no mystery about what it is It is his contention that consciousness consists in a closely knit complex of occurrent mental phenomena and powers with thinking and self knowledge at the centre and nothing else He proceeds to give a philosophical elucidation of its nature analysing it into its constituent psychological parts He argues that consciousness has a determinate character as an internal but world oriented phenomenon and that there exist logically necessary and sufficient conditions for its presence Though consciousness is an internal state perception is its very

foundation being the source of the material with which the mind develops and essential to the processes whereby it does so O Shaughnessy continues with an extended summary of the phenomena of perception and attention examining their their component elements and their relations with consciousness and with the world He demonstrates how close to the heart of consciousness is perception envisaged already in the very concept Perception is portrayed as a journey of the attention from the raw data of the senses outwards into physical reality The different modes of sensory perception are analysed in turn to give a full picture of how the mind opens out onto its environment and assembles for itself a representation of outer reality So it is that the gap is closed between the mental and physical domains and the epistemological basis of mind is established Consciousness and the World is a rich and exciting book a major contribution to our understanding of the mind **It**

The Sheriff's Son William MacLeod Raine, 2022-11-21 *The Sheriff's Son* by William Macleod Raine is about Sheriff John Beaudry's death and the cowardly son he leaves behind who must learn to find the courage inside himself to defend the ones he loves most. Excerpt: Through the mesquite a horse moved deviously following the crooked trail of least resistance. A man was in the saddle and in front of him a little boy nodding with sleep. The arm of the rider cradled the youngster against the lurches of the pony's gait. The owner of the arm looked down at the tired little bundle it was supporting. A wistful tenderness was in the leathery face. To the rest of the world he was a man of iron. To this wee bit of humanity he was a nurse, a playmate, a slave.

Dismas Crucified aka The Good Thief Peter George Foster, 2023-03-03 Truly I say to you this day thou shalt be with me in Paradise. Jesus gave to only one person such a promise. So who was he? Was he a follower of Jesus? No. Was he one of the Sanhedrin? No. Was he a rabbi? No. He was none of them. Instead, those words were addressed to a thief dying on a cross alongside Jesus. From his cross of death, Dismas spoke up in defence of Jesus, stating that they deserved their punishment but

that Jesus had done nothing wrong Dismas then asked Jesus to remember him when he came into His kingdom Jesus responded promising Paradise to Dismas that very day with those wonderful words Truly I say unto you this day thou shalt be with me in Paradise Dismas what do we know of him In truth not much We know his name Dismas that he was a thief being executed for his crimes and that he spoke up in defence of Jesus and was greatly rewarded for it With so little known about him it has enabled me to explore his life as I have imagined him to be This is a work of fiction but based on historical fact Read it be as one with Dismas You may shed a tear or two as you read it I did as I wrote it Enjoy
