Illyrian Spring:

Illyrian Spring Ann Bridge, 1935 As a wife and mother of three Lady Kilmichael felt her task in the home was finished As the artist Grace Stanway she was well known and successful in her own right The question now was whether her home or her career would predominate **Illyrian Spring** Ann Bridge, 1967 **Illyrian spring** Jože Kastelic, 1962 *Illyrian Spring*

Ann Bridge (pseud. van Mary Dolling Sanders O'Malley.), 1935 Hearings United States. Congress. House, 1937

Illyrian Spring Ann Bridge (pseud. van Mary Dolling Sanders O'Malley), 1938 **The Book World** Nicola Louise Wilson, 2016-05-18 British literature underwent profound changes in the period 1900 1940 What role did audiences and channels of book distribution play in this In this wide ranging collection the influence of publishers distributors librarians and readers come to the foreground to open up new perspectives on literature and print culture Rooted in original archival research chapters include studies of the engagement of canonical writers and bestsellers with the literary marketplace the influence of international and mobile audiences publishing practices involving genre promotion and censorship and the significance of spaces of reading including bookshops circulating libraries and on board passenger ships Through a series of detailed case studies that focus on under explored aspects of distribution and readership the contributors open up new perspectives on literature and the British book trade **Yugoslavia in the British Imagination** Samuel Foster, 2021-06-17

Despite Britain entering the 20th century as the dominant world power public discourses were imbued with a cultural pessimism and rising social anxiety Through this study Samuel Foster explores how this changing domestic climate shaped perceptions of other cultures and Britain's relationship to them focusing on those Balkan territories that formed the first Yugoslavia from 1918 to 1941 Yugoslavia in the British Imagination examines these connections and demonstrates how the popular image of the region's peasantry evolved from that of foreign Other to historical victim suffering at the hand of modernity's worst excesses and symbolizing Britain's perceived decline This coincided with an emerging moralistic sense of British identity that manifested during the First World War Consequently Yugoslavia was legitimized as the solution to peasant victimization and as Foster's nuanced analysis reveals enabling Britain's imagined and self promoted revival as civilization's moral arbiter Drawing on a range of previously unexplored archival sources this compelling transnational analysis is an important contribution to the study of British social history and the nature of statehood in the modern Balkans

In Byron's Shadow David Ernest Roessel, 2002 In Byron's Shadow draws on a wide range of sources to create a model for literary history that synthesizes literary investigation and cultural studies to develop a fuller understanding of the historical forces influencing the Anglo American conception of modern Greece Jacket **Around the World in 80 Novels: A global journey inspired by writers from every continent** Henry Russell, 2019-06-11 Whether you're a regular globe trotter or an armchair traveller these 80 works conjure up the spirit of place for locations on every continent On the Margin Aldous Huxley, 1926 **Catalog of Copyright Entries. New Series** Library of Congress. Copyright Office, 1936 A Dictionary of

Literary Pseudonyms in the English Language T.J. Carty, 2015-12-03 In its first edition Dictionary of Literary Pseudonyms established itself as a comprehensive dictionary of pseudonyms used by literary writers in English from the 16th century to the present day This new Second Edition increases coverage by 35% There are two sequences Part I which now includes more than 17 000 entries is an alphabetical list of pseudonyms followed by the writer's real name Part II is an alphabetical list of writers cited in Part I more than 10 000 writers included providing brief biographical details followed by pseudonyms used by the writer and titles published under those pseudonyms Dictionary of Literary Pseudonyms has now become a standard reference work on the subject for teachers student and public high school and college universal librarians The Second Edition will we believe consolidate that reputation

LaGuardia in Congress Howard Zinn, 2018-07-05 Fiorello LaGuardia is known best as the tempestuous mayor of New York City in the days when Franklin Delano Roosevelt sat in the White House There had been however an earlier time which matched his mayoralty years in sheer drama and perhaps surpassed them in lasting achievement LaGuardia's years in Congress He served in the House of Representative almost continuously from 1917 to 1933 representing two ethnically diverse congressional districts the Fourteenth Greenwich Village from 1917 to 1919 and the Twentieth East Harlem from 1923 to 1933 Although barred from important committee posts because of his political independence and thus denied from playing a direct role in lawmaking he was a tireless and vocal champion of Progressive causes from allowing more immigration and removing U S troops from Nicaragua to speaking up for the rights and livelihoods of striking miners impoverished farmers oppressed minorities and struggling families A goad to the era's plutocrats and their enablers in government LaGuardia fought for progressive income taxes greater government oversight of Wall Street and national employment insurance for workers idled by the Great Depression In this book first published by Cornell University Press in 1959 Howard Zinn establishes LaGuardia's tenure in Congress as a vital link between the Progressive and New Deal eras offering a lively and informative account of his many legislative battles his political philosophy and the distinctly urban specifically New York City sensibilities he brought to the Progressive movement

The British and the Balkans Eugene Michail, 2011-08-18 Ever since the end of the Cold War the Balkans have preoccupied European public opinion much more than any other region of the old Eastern bloc To a large extent this is a result of the wars following the break up of Yugoslavia The conflicts of the 1990s raised a series of questions about the nature of Balkan history as compared to an assumed European norm Even more they triggered prolonged discussions on the form and timing of foreign engagement in the region both during the war and ahead of the eastward expansion of the European Union These public debates underlay the emergence of a related academic interest in intercultural contacts between the Balkans and the rest of Europe over the last three centuries The British and the Balkans is a close study of the history of the image of the Balkans in Britain in the first half of the 20th century and of the channels through which this image was built It proposes new interpretative models for broader research in the formation of public images of foreign lands

Art and Commerce in the British Short Story, 1880-1950 Dean Baldwin, 2015-10-06 The short story was a commercial phenomenon which took off in the late nineteenth century and lasted through to the rise of television and film Baldwin uses a wide variety of sources to show how economic factors helped to dictate how and what a wide variety of authors wrote
