## **Im One Of A Kind:**

**One of a Kind** Nolan Dalla, Peter Alson, 2006-05-30 First biography of the greatest card player of all time Stuey Ungar was a true original a mass of contradictions and a god among gamblers As a high school dropout Ungar soon developed a reputation for talent and raw nerve in playing gin A nonstop gambler he was soon conquering Las Vegas One of a Kind chronicles Stuey s spectacular rise as the most feared tournament player in poker history to his tragic fall Compelling and riveting this is the first ever look at the man behind the legend

**One of a Kind** Ashley Mallett, 2010 From the moment he first stepped onto a test pitch cricket fans around the world were dazzled by Doug Walters red blooded strokes his immaculate timing and his great enjoyment of the game But they also loved him because he refused to be a star He drank he smoked he loved a punt The boy from Dungog was one of us In One of a Kind the ma One of a Kind Adam Sparks, 2010-01-01 A fundamental requirement in an inclusivist understanding of the relationship between Christianity and other religions is evidence of God s salvific activity outside any knowledge of Christ This is commonly identified in the religion of Old Testament Israel On this basis an analogy the Israel analogy is drawn between the religion of the old covenant and contemporary non Christian religions Closely related is the parallel argument that as Christ has fulfilled the Old covenant he can also be seen as the fulfillment of other religious traditions and their scriptures This study outlines the use of the Israel analogy and the fulfillment model subjecting these concepts to a biblical and theological critique revealing that the exegetical and patristic data are misconstrued in support of these concepts Furthermore the Israel analogy and the fulfillment model undermine the sui generis relationship between the old and new covenants and fail to respect the organic progressive nature of salvation history They also misconstrue the old covenant and the nature of its fulfillment in the new covenant The Israel analogy and fulfillment model rely on a correspondence between the chronologically premessianic Israel and the epistemologically premessianic other religions and therefore consider the BC condition to continue today In so doing they undermine the significance of the Christ event by failing to appreciate the decisive effect of this event on history and the nature of existence It marks a radical turn in salvation history a crisis point rendering the BC period complete and fulfilled Therefore the concept of a continuing premessianic condition or state is seriously flawed as are the Israel analogy and fulfillment model Thus the inclusivist paradigm reliant in large part on these defective concepts is also problematic and proponents of this paradigm need to reconsider its basis
