death why doesn't it look like it? How could an innocent person justly pay the penalty for the guilty? Why couldn't God simply forgive apart from the cross? Doesn't following Jesus' sacrificial example actually enable abuse? Through Scripture, story, and real-life applications, McNall addresses this great Christian doctrine with simplicity without sacrificing the nuance it demands. Clear and readable, *How Jesus Saves* will deepen your faith and commitment as a Christian, giving you the comprehension and confidence you need to explain the atonement not only to your curious loved ones but also to skeptics who might challenge your faith. This book includes reflection questions at the end of each chapter.

**The Panarion of Epiphanius of Salamis, Book II and III** Epiphanius of Salamis, 2020-10-26 Epiphanius, bishop of Salamis on Cyprus from about 367 until 402, was a witness to and participant in the troubled era after the Council of Nicaea. His *Panarion* or *Medicine Chest* is an historical encyclopedia of ideas and movements he considered heretical and of the replies Christians ought to make to them. Book II and III deal with the Trinity, the Person of Christ, the divinity and personality of the Holy Spirit, Manichaeism, penance, matrimony, and celibacy, monastic regulations, the Christian Calendar, all hotly contested topics in the fourth century. Book I, issued by Brill in 1987, concerns Gnosticism and Jewish Christianity. Together, the two volumes are the only complete translation of the *Panarion* in a modern language.
