unique and groundbreaking collection of original spy stories based on real events and people during the Civil War Battles
were won with bullets and sabers on the battlefields of the War Between the States for sure But often the outcome of those
battles was affected by the heroic acts of spies both Union and Confederate Such heroes unsung while they did their vital
work included those whose true stories are told in the pages of this book Elizabeth Van Lew Her Richmond Virginia
neighbors thought her eccentric or crazy but her odd behavior covered her activities as a spy for the Union army Belle Boyd
A daring Confederate spy whose charm and beauty were exceeded only by her boldness and resourcefulness in eluding Union
s efforts to capture her Serena Freneau A beautiful spy who seduced secrets from Union officers even marrying one of them
Timothy Webster A Union spy who dared to infiltrate the South s infamous Knights of Liberty as a double agent Their exploits
and the other tales in this extraordinary volume are as thrilling as any spy stories from the past or present and many of them
are true history The Blue and the Gray Undercover No war is won on the battlefield alone and the Civil War was no exception
Behind the lines behind closed doors in disguise spies for both the Union and the Confederacy did what spies have always
done seek out information that will help their side get some advantage over the enemy In the pages of this unique volume
some of the most gifted storytellers of our generation write about many different spies Editor Ed Gorman has brought
together never before published tales of undercover work during the War Between the States by such bestselling authors as
Doug Allyn John Lutz Brendan DuBois Loren D Estleman and by other talented writers including Janet Berliner James H Cobb
Bill Crider Jane Haddam Edward D Hoch Marie Jakober Jane Lindskold P G Nagle Gary Phillips Robert J Randisi Kristine
Kathryn Rusch Aileen Schumacher and Ray Vukceovich In cities and in the wild north and south of the Mason Dixon line in the
Atlantic Ocean the Caribbean Sea even in Canada these stories capture the tension and excitement of the high stakes risks
numberless people took to help their side in the terrible war that sundered a nation Not all the stories are based on fact but
all show people doing the kinds of things that were actually done to win the war with brains instead of bullets The result is a
