Ebook: Essentials of Accounting for Governmental and Not-for-Profit Organizations Paul Copley, 2014-10-16 Copley's Essentials of Accounting for Governmental and Not for Profit Organizations

12e is best suited for those professors whose objective is to provide more concise coverage than what is available in larger texts. The main focus of this text is on the preparation of external financial statements which is a challenge for governmental reporting. The approach in this edition is similar to that used in practice. Specifically, day to day events are recorded at the fund level using the basis of accounting for fund financial statements. Governmental activities are recorded using the modified accrual basis. The fund basis statements are then used as input in the preparation of government wide statements. The preparation of government wide statements is presented in an Excel worksheet. Government Auditing Standards and Single Audits 2019 AICPA, 2019-08-06. Need assistance in understanding and applying the special considerations required in a single audit. This 2019 Audit Guide is an indispensable resource for auditors performing Yellow Book and Uniform Guidance compliance audits. Based on Government Auditing Standards 2011 Revision, this new edition provides up to date information and expert guidance on single audits and Uniform Guidance compliance audit requirements. It includes example auditor reports for both the reporting required under Government Auditing Standards and the Uniform Guidance compliance audit. Key features include: Understand the complexities of Government Auditing Standards including the requirements related to auditor independence. Gain an understanding of the requirements for performing a Uniform Guidance compliance audit including major program determination. Understand the unique audit areas related to a compliance audit of federal awards including internal control over compliance for major programs. Properly report on the single audit using the illustrative auditor's reports for both the financial statement audit performed under Government Auditing Standards and the compliance audit performed under the Uniform Guidance. *Advanced Accounting* Debra C. Jeter, Paul K. Chaney, 2019-01-30. Advanced Accounting delivers an in depth comprehensive introduction to advanced accounting theory and application using actual business examples and relevant news stories to demonstrate how core principles translate into real world business scenarios. Clearly defined and logically organized Learning Objectives aid in student comprehension while highlighted Related Concepts illustrate how individual concepts fit into the larger picture. Short answer questions throughout the chapter allow students to test their knowledge before reaching the more in depth end of chapter questions promoting a deeper understanding of both technical and conceptual aspects of the field. Written by active accounting researchers, this text brings clarity and flexibility to the central ideas underlying business combinations, consolidated financial statements, foreign currency transactions, partnerships, non profit accounting and more. This new Seventh Edition has been updated to reflect the latest changes to FASB and GASB standards, allowing students to build a skill set based on up to date practices. With a student oriented pedagogy designed to enhance comprehension, promote engagement and build real world understanding, this user friendly book provides an essential foundation in current advanced accounting methods and standards.
