Talking God in Society Ute E. Eisen, Heidrun Elisabeth Mader, 2021-01-18 Peter Lampe's work has covered a wide range of fields the common denominator being his interest in contextualizing belief systems. Mirroring his multifaceted work the authors pursue his interest from different interdisciplinary angles addressing the interdependence between religious expressions and their situations or contexts. The application of theoretical models to texts examples flanks the inspiring theoretical epistemological and methodological reflections. Studies in socio economic and political history adjoin archaeological epigraphic papyrological and iconographic investigations. Social psychological interpretations of texts complement rhetorical analyses. The hermeneutical reception of biblical materials in for example the Koran and Christian Chinese or Orthodox contexts as well as in religious education and homiletics rounds off the volumes.

The Trias of Maimonides / Die Trias des Maimonides Georges Tamer, 2012-02-14 Jewish religion Greek philosophy and Islamic thought mold the philosophy and theology of Maimonides and characterize his work as an excellent example of the fruitful transfer of culture in the Middle Ages. The authors show various aspects of this cultural cross fertilization despite religious and ethnic differences. The studies prompt thoughts on a question which is important for the present and the future. How may the different religions cultures and concepts of knowledge continue to be conveyed in synthesis. The volume publishes the lectures given at the July 2004 international congress at the occasion of the 800th anniversary of Maimonides death.

The Contemplative Soul Adena Tanenbaum, 2002-01-01 During the eleventh and twelfth centuries Andalusian Jewish poets introduced philosophical theories into their devotional verse. This study explores the impact of their rich intellectual and cultural life on their Hebrew poems devoted to the soul.

Coffee, the World, and Jesus, but Not Necessarily in That Order Ron DeMiglio, 2017-06-27 When many Christians take a long hard look at the lives of the spiritual elite in America they want to shout I don't want to be like that. Ron DeMiglio knows how they feel and he's not afraid to do the shouting even when those shouts are sometimes directed at himself. Coffee the World and Jesus is a collection of mildly contrarian musings from this international coffee businessman who happens to love Jesus. In these humorous vignettes about the relational flawed unwavering faith Ron clings to readers will find glimmers of their own daily struggles to reflect Christ in a fallen world. For the religiously cautious the disillusioned and jaded followers of Christianity this is a refreshing look at how God reveals

Himself to be so much bigger than politics dogmas or western influences Ron s sidesplitting series of stories about how he found his spiritual groove smack dab in the middle of his God breathed coffee scented uniqueness will appeal to readers looking for a quick bite of spiritual growth with their next latte *Wan Day Yah* Solomon A.
