impact the pre existing challenges in your daily life And Jesus answered him the first of all the commandments is hear Oh Israel the Lord our God is one Lord and thou shall love the Lord thy God with all thy heart and with all thy soul and with all thy mind and with all thy strength This is the first commandment And the second is like namely this thou shall love thy neighbor as thyself There is no other commandment greater than these Mark 12 2931 Enjoy your journey *Once He Was Lost... Now I'm Found...* Thelma Johnson,2021-09-01 Throughout my lifelong experiences in church I have been taught that there were only two final destinations heaven and hell Preachers teach that there is a heaven to gain and a hell to shun which is absolutely true I have further learned through my ability that it too is possible for spirits to remain earthbound This occurs when these spirits reject themselves from walking into the light due to inability of letting go of their physical life The two types of spirits that are earthbound are intelligent and residual The intelligent spirits can communicate with the physical world and residual spirits are on repeat every day With the help of my youngest brother s God given abilities I slowly learned how to embrace the gift that I have been given I encourage anyone who senses these abilities to embrace it and pursue it although it may be difficult to understand this gift There are many people in the world experiencing similar situations I gradually learned how to live with my ability which led me to a solid four years of writing this book so that others will find the courage to express their gifts in their own special form *Poetry A Ray Of Life* Bristi Parvin,2023-07-05 A poem is a kind of writing in which the words straight touch our soul This book contains almost 35 poems For me poetry is a ray of life that removes the darkness of life I was suffering from depression and BPD and at that time my poems helped me to recover and to live a healthy life Every poem of mine has a special deep meaning about life some poem contains pain and darkness some poem contains some deep message for our civilized society and others contains hope love light and trust If you notice deeply you can see my poems are connected These poems will help you to express your feelings and emotions these will fill your heart with light If you are a poetry lover then is book is for you you will fall in love with this book
