**Deception Crossing**  
Tommy Muncie, 2018-04-14

Following the bloodbath that ended his life on Earth and cost him the people he loved, Shadow is on a mission to destroy Daniel Penhallow's criminal empire. After months of struggling to get inside it, an unexpected ally suggests a simpler plan: Shadow must tell the world the truth about who he is and admit he's killed to keep it secret. When the truth shakes the world to its core, powerful Seekers on Earth and Carnathia all want a piece of the action. Things are already heating up in the Outland civil war, and Shadow's revelations could make or break the peace negotiations. Especially as his new ally is Dakota Silverwood, the youngest Seeker in history whose ambitions to outsmart his elders all require daring stealth missions that most would consider impossible. With Shadow destined for prison after his confessions, Dakota takes the reins of the mission to restore the Lockyer family to their former power and crush the corrupt members of the Seeker's Council. Lies, murder, extortion—nothing is off limits to the enemies Dakota and Shadow are about to make. Deep inside the Outland underworld lurks a shapeshifting fugitive and his human soulmate whose services Dakota must seek out if he's to get what's needed for the Lockyer family and have any hope of defeating Daniel's empire. If they can't pull off a virtually impossible mission to the planet Nastrophien, together history could repeat itself for all the wrong reasons. Not to mention that the most powerful Seeker on Earth, Kester Offren, would like nothing better than to watch everyone destroy each other, then clean up the mess with a new society where the likes of Shadow, Dakota, and their allies would not be welcome.
