*Looking for Tantra* Sam Red, 2015-09-16 Why did the West put Tantra in the box of erotic sex How did this conceptual degradation of a millennia old spiritual path come about And where or what is the real Tantra In answer to these questions Sam Red refers to her research contemplations and direct experiences of the basics of the tantric theoretical framework In typically candid inspirational and oftentimes provocative and humorous style she draws parallels with Taoism and points to tantric techniques that can be used to bring a greater sense of purpose joy and self empowerment into everyday living Sam Red is also author of *She Who is Unto Herself and My Name is Joy* Available on Amazon

*CEO's Love Strategy* Xie Yu, 2020-04-03 This marriage was very hasty a child shouldn't be born so easily She did not know if she liked him much less who he liked But then one morning she woke up crying in his arms He looked deeply at her and asked softly Did you have a sad dream I dreamed I lost you He held her tighter running his fingers over the tears at the corners of her eyes Don't cry this is just a dream She rubbed her hand against his chest But I'm afraid I'm afraid that I might really lose you in the real world What should I do then He squeezed her cold little hand and said softly It doesn't matter I'll find you By then the purple violets on the balcony were all in full bloom Ps purple violet flowery language in a beautiful dream to fall in love with you

**Proclus on the teacher-disciple bond of love** Proclus, 2023-06-10 The memory of one's father inspires the pursuit of virtue Father has sown the fire laden bond of love so that the divine lovers turn recall and rally around him Perfection comes for those who love contemplating Truth Love is the cause of disintegration of the One the medium between spirit and matter i.e. upper triad and lower quaternary and the cause of reintegration When love meets with a bad receptacle it brings about a life that is tyrannical and intemperate in five different ways 1 The coarse lover hangs on his darling the true lover is self-reliant and poised 2 The one loves the body and discards the person when the bloom of youth has withered the other loves the soul 3 The one is fickle and readily forsakes his darling the other is truehearted and loyal 4 The vulgar lover contrives all sorts of pretexts for conversation with his darling the true lover avoids talking to his beloved unless there is some spiritual benefit to him 5 The one lives apart from the One the other is akin the One and an exemplar of divine virtue and beauty The eyes of the common man cannot contemplate the splendour of Truth In the ascent to the summit of divine love the multitude of common lovers becomes an obstacle by assuming the character of the true lover and dragging down the soul of the youth from vistas on high to the dark side of this

illusive plane by charming souls they lead them away from the mysteries say the oracles As the good spirit attends us for the most part invisibly bestowing unawares his forethought upon us and silently correcting our lives so also Socrates attends the spiritual needs of his beloved Alcibiades in silence and in secret Socrates is about to begin delivering Alcibiades purified from vulgar lovers by the philosophy of love Alcibiades shall be saved by Pallas Athene whose function is uphold the unity of life and preserve the heart intact His soul is dual animal and divine Forgetfulness and ignorance of what is primarily beautiful make inferior lovers concern themselves with the kind of beauty that is implicated in matter There are two kinds of enthusiasm one superior to moderation and another short of it The former is an insufflation from without the latter a pernicious inflammation of the heart The intelligibles on account of their unutterable undifferentiated oneness have no need of the mediation of love but in the separation and the reunification of beings love is the agent and medium As the centre of the circle is everywhere and its circumference that represents the hidden deity is nowhere so the divine heart throbs everywhere but is nowhere to be seen People is a multitude united to itself mob is an incoherent multitude their relation is that of democracy versus ochlocracy Only love can melt away alienation and warm the heart of all those who are born under the same law We train ourselves in regard to pleasure and pain neither fleeing from our emotions nor remaining completely without experience of them but assuming a middle position in their regard and overcoming our tendency to excess and disorderliness Better help than the love of philosophy it is not easy to find says Diotima For chaste love is the binder of all things and their sublime guide The living creature is the fairest of the objects of intellect As spirit hides between god and man so love binds the lover to the beloved The inspired lover differs from the vulgar lover being aligned with intellect and divine beauty the inspired lover is stable active immaterial the wanton lover fickle passive material since the object of his love is ephemeral sensual beauty Love is threefold One absolute and primary One perpetually participated One intermittently participated

**Izmirli, My Last Love** Firat Sunel, 2025-01-20 The last love is like the last hanging threads of hope at times dearer than life Can it ever be forgotten Eylu l a young lawyer within the turn of a night moved to Istanbul from Germany after her mother's sudden drowning Her beautiful mother left behind a prestigious law firm and a daunting legacy As life pulls Eylu l in tethers the demands of the law firm highlight her unpreparedness but she can only obsess over her mother's

unconvincing drowning thanks to an old letter which seems to belong to her mother What begins is a complex odyssey as she chases after an Izmirli with one thought did Izmirli cause her mother s death As Eylu l delves deeper into the mysteries of her mother s past and her love life it becomes unclear what is Izmirli Is her mother s past and Eylu l s present one of the same has memory and reality merged into one Each discovery reveals a bigger and darker hole in a seemingly endless tunnel Izmirli is a compelling psychological thriller and romance and a gripping narrative of personal discovery but also an exploration of the complexities of human relationships Highly gripping psychological thriller An engaging read with unpredictable twists and turns An intense drama transporting away from reality Perfect for reads who enjoy books like The Gone Girl and The Silent Patient Perfect read for the weekend nights and a reading group **Plotto** William Wallace Cook,2011 Have you struggled to expand your initial idea into a complete story Plotting can be frustrating work What if there were a tool for this very problem so you could navigate these uncharted waters as quickly as possible A tool that starts with what you have a situation perhaps or a group of characters and sets you on the road to new possibilities Plotto does all this Created by a master of organized creativity William Wallace Cook one of the most prolific writers in history Plotto has been prized by professional authors and screenwriters since its publication in 1928 and is still in demand today with copies of the original edition selling for up to 400 This Norton Creek Edition is an exact reproduction of Cook s work To keep the book down to a manageable size 300 pages of very small type while retaining its powerful features Cook uses a telegraphic format that takes some getting used to so working your way carefully through the introduction and its examples is the key to professional quality results Because Plotto was written in the Twenties its situations can seem old fashioned and its terminology politically incorrect but these problems are more apparent than real Cook himself wrote both westerns and early classics of science fiction so you see how replacing stagecoach with star ship or dance hall girl with male stripper are within the reach of anyone using the Plotto system and in fact this kind of substitution is how the book is intended to be used and is the key to its flexibility and enduring popularity From the Chemistry of Love to the Alchemy of True Love Relationship Management Dr. Nurettin AYDIN,2023-05-16 Every love carries the seed of a happy marriage that lasts a lifetime Happy marriage is a fruit that can t get enough of its taste and love is the flower season of this fruit It is an incomprehensible contradiction most loves die in marriage How heartbreaking are the dried flowers on the branch before they turn into fruit What a sad end is the death of love in marriage Every marriage starts with a ceremony and ends with a ceremony It begins with the red robe of the wedding officer and is sealed with the words until death separates you Some die in front of the red robe of the judge some rise to immortality in front of the white robe of the undertaker Every marriage that starts with love wishes to break the seal of the word until death separates you Death only kills people he can t afford love The mortal bodies of the lovers die but the love does not die it transcends time nailed to eternity What heartbreak for a love to be brought in front of a judge like a criminal to be tried What a cruelty such a death is The death of love is always an unsolved case There

are many who are accused but no one takes responsibility They are buried in the graveyard of the Strangers neither the police nor the detective can solve their secret These pages suggest a way for love to turn from flower to fruit It s a way that anyone can understand and anyone can implement This path is one that synthesizes commonalities in the relationships of those who have succeeded There are certainly many other ways this way is not the only way and it is just one The content is organized in four main sections In order for a love affair to turn from a flower to a delicious fruit one must first know the nature of the relationship love Then it is necessary to know the parties of the relationship and then learn to manage the relationship Ultimately everything valuable needs to be protected The fourth chapter is about the security of the relationship that matters

**Robert Lowell** Ian Hamilton,2011-09-15 Born in 1917 into an aristocratic Boston family Robert Lowell was not yet thirty when his first major collection of poems Lord Weary s Castle won the Pulitzer Prize With Life Studies his third book he found the intense highly personal voice that made him the foremost American poet of his generation He held strong complex and very public political views His private life was turbulent marred by manic depression and troubled marriages But in this superb biography first published in 1982 the poet Ian Hamilton illuminates both the life and the work of Lowell with sympathetic understanding and consummate narrative skill Our one consolation for Ian Hamilton s early death is that his work seems to have lived on with undiminished force The critical prose in particular still sets a standard that nobody else comes near Clive James

**Pink** Jennifer Harris,2008-04-01 Who is the woman behind the little pink book When I first get the acceptance letter from the publisher about the book I will write I will walk inside my apartment and call my parents who will be as dumbstruck as me My parents won t say anything at all So I will hang up the phone turn off the ringer and cry I mean pour my eyes out cry I will suddenly be terrified I will feel the blood rush in my veins the way I do during a horror show which is precisely why I won t go see horror shows I will think that I made a terrible mistake Join this irrepressible heroine as she frolics frets and navigates through the what if s of her life all the unexpected turns of fortune fame and karma Real or imagined she is the literary Walter Mitty of the lesbian world Love fame and fortune all line up to do cartwheels in this rollicking satire Laugh along with this everywoman and discover that her life may not be so different from your own Pink reveals the truths of the lives we all want and deserve to live

to frame his discussion showing that Joyce frequently ties his characters personal and political pursuits to their ability to affirm both their loved ones and their fellow Dubliners In his short stories and novels DeVault argues Joyce shows how personal love makes possible a broader social compassion that creates a more progressive body politic While his early protagonists narcissism limits them to detached engagements with Dublin that impede effective political action Joyce demonstrates the viability of his love ethic through both the Blooms empathy in Ulysses and the polylogic dreamtext of Finnegans Wake In its revelation of Joyce s amorous alternative to the social and political paralysis he famously attributed to twentieth century Dublin Joyce s Love Stories allows for a better appreciation of the ethical and political significance underpinning the author s assessments of Ireland
