Henderson,2021-06-08 They say comedy equals tragedy plus time This very funny account of an often miserable childhood is proof People What a strong funny heartbreaking memoir with a voice that is completely its own written by a woman who very much seems to be completely her own as well I loved it Elizabeth Gilbert New York Times bestselling author of *Big Magic* and *Eat Pray Love* An uproarious moving memoir about a grandmother s ferocious love and redefining what it means to be family If you fight that motherf ker and you don t win you re going to come home and fight me Not the advice you d normally expect from your grandmother but Danielle Henderson would be the first to tell you her childhood was anything but conventional

Abandoned at ten years old by a mother who chose her drug addicted abusive boyfriend Danielle was raised by grandparents who thought their child rearing days had ended in the 1960s She grew up Black weird and overwhelmingly uncool in a mostly white neighborhood in upstate New York which created its own identity crises Under the eye rolling foul mouthed loving tutelage of her uncompromising grandmother and the horror movies she obsessively watched Danielle grew into a tall awkward Sassy loving teenager who wore black eyeliner as lipstick and was struggling with the aftermath of her mother's choices But she also learned that she had the strength and smarts to save herself her grandmother gifting her a faith in her own capabilities that the world would not have most Black girls possess With humor wit and deep insight Danielle shares how she grew up and grew wise and the lessons she's carried from those days to these In the process she upends our conventional understanding of family and redefines its boundaries to include the millions of people who share her story

Children's Literature and the Politics of Equality Pat Pinsent, 2013-07-04 First published in 1997 In this book the author intends to explore some of the many questions which arise as a result of increasing awareness in our society about equality issues Can the attempt to make books for children consistent with contemporary views about equality go too far In any case are children really as much influenced by books and other material as some educationalists would claim What can or should we do about the classics Of the past And are today's children's writers so much better at avoiding giving offence to minorities How much are children affected by the kind of prejudices and preconceptions that we all grow up with but don't always succeed in acknowledging in later life
