First Look At Keeping Warm:

First Look at Keeping Warm Susan Baker, 1991 Describes the different ways animals and people protect themselves from cold weather and discusses how body heat food shelter sunshine clothing and fuels all work to keep us warm **Exposure** Steve Law, 2008-11-13 I wrote FRUITION because I was interested in what my life might have been like if things had gone differently back in my teens At the time I was forty something and I had a lot to think about Death was on my mind and like many people I expect I wished I could go back and try again knowing even a little of what I d learned I employed a kind of reincarnation device four books for four lives Most of the story is set in the afterlives which let me enjoy myself inventing landscapes cities people and wildlife I also had fun putting in some philosophical arguments a love story and a few sex scenes It s a typical first novel it s got everything But the basic question throughout is the same life goes wrong There s no one big obvious trauma to blame Somehow it just never works out Why is that And can it be changed EXPOSURE is the first of four books in the FRUITION quartet Gemini Caroline Robb, 2021-09-30 A romance begins in 1943 in wartime Britain between Annabelle an English pianist and Andrew a United States Airforce Engineer An accident separates them before she can tell him she s pregnant as he s flown back to America She has identical twin daughters via a caesarean section but is deceived into thinking she s had only one baby by the Adoption Agent Annabelle had changed her mind about adoption but Andrew had heard otherwise The Adoption Agent gave one child to Annabelle and the other to Andrew in America Neither parent or twins knew there was a twin sibling until the twins meet in their twenties and begin the process of unearthing the truth about their birth *Protected by the Warrior* Barbara Phinney, 2014-08-01 A Norman soldier cannot defend his heart against a rebellious Saxon midwife in this inspiring medieval romance When Clara became a midwife she vowed to preserve life above all She ll keep that vow even if it means defying a Norman baron by hiding a Saxon slave and her child Yet when the ruthless lord threatens Clara s village and her life she s forced to rely on another Norman to keep her safe As a soldier Kenneth D Entremont is a soldier one who takes lives instead of healing them Clara despairs of finding any common ground with him But when he begins guarding her she learns to see him in a new light His care and compassion make her feel safe even loved Can she bring herself to put her secrets and her heart under the protection of the warrior **Danni Gu**
