

# FIRST STEP PRAYER

I admit that I am powerless over my addiction.

I admit that my life is unmanageable when I try  
to control it.

Help me this day to understand

The true meaning of powerlessness.

Remove from me all denial of my addiction.

Project* Bernard Ruffin,2021-08 They say that a good book can change your life That s the mindset Bernard Ruffin took hold of when putting together The B U I L D Project So often people find themselves stranded and astray from the lives they hoped for or feel like they deserve and once you re lost to the world it s hard to find your way back to the position you want to be in No one should face up against the hardships of the world alone and you don t have to The B U I L D Project is about providing you with a life plan template that will result in an overall positive change to your experience Yes the roots are based in Christianity but this book is about so much more Through the pages of The B U I L D Project you will learn the importance of family and personal health while also tackling business and your financial life Prayer is a necessary part of many of our lives but with this piece of work Bernard Ruffin and PRAYpare take a look at why it s important to prepare and pray not one or the other The B U I L D Project is itself built upon 5 key bricks B Begin with Family Making a positive change starts at home and if we can t even reconcile with those to whom we are bonded by blood then how can we ever expect to actualize our own goals and desires U Understand your Ministry This is where we get in touch with our lord and savior and unpack our own relationship with him and the house in which he presides It s vital that we have a comprehensive understanding of how the church impacts our lives and equally important to know how to balance it with every other moving part of being a human I Implement Better Health Healthy body healthy mind healthy soul These are three core building blocks for a happier more fulfilling life and unsurprisingly they all inform one another Ensuring that we feel our best physically mentally and spiritually is key to achieving real progress L Lead in Business This is where you get down to brass tax to begin implementing the teachings in this text With empathy and knowledge of self you will be more capable than ever to tackle the dog eat dog world of business and finance D Develop a Better Financial Life Life does not begin and end with money but without it there s not much good we can do for the kingdom Taking everything you ve learned from the project so far and using it to secure a more stable future is the best way to set yourself up for success personally and as a contributor to others [The Prayer-book](#) Evan Daniel,1901 **Northwestern Christian Advocate** ,1911 **Kiss Me Like You Mean It** Dr. David Clarke,2009-05-01 Many couples find themselves at a point where they need a passion boost How can husbands and wives break through the many obstacles and issues that have derailed their desire and get back on track to being the crazy in love couple they once were Solomon had a few secrets up his ancient sleeves and marriage therapist Dr David Clarke
