format 8 5 x 11 0 215mm x 280mm pages      **Baby's First Words** Emiri Hayashi,2007 Labeled pictures introduce more than 150 words arranged in categories such as getting dressed breakfast the kitchen friends and bathtime      *Kids Picture Books* Emma Andrews,2016-01-27 Kids Picture Books 100 First words will help develop your child s vocabulary while exploring fun illustrations of food people clothes animals and more This entertaining book will encourage young children to learn first words while linking them to pictures Parents and toddlers can explore and enjoy together An ideal book for story time bedtime or anytime      **First Words & Pictures: Around Town** Margot Channing,2017-12-07 This is an ideal first book for very young readers containing more than 100 words It is filled with delightful art work of the places found around an ordinary town as well as their names It is designed to help infants embark on a lifetime of reading introducing them to basic concepts of literacy the alphabet and everyday life Reading the text helps to familiarise babies with the patterns of speech Talking and reading go together and this helps a baby to listen Listening and talking help lay the foundations for language development      **Words about Pictures** Perry Nodelman,1990-08-01 A pioneering study of a unique narrative form Words about Pictures examines the special qualities of picture books books intended to educate or tell stories to young children Drawing from a number of aesthetic and literary sources Perry Nodelman explores the ways in which the interplay of the verbal and visual aspects of picture books conveys more narrative information and stimulation than either medium could achieve alone Moving from baby books alphabet books and word books to such well known children s picture books as Nancy Ekholm Burkert s Snow White and the Seven Dwarfs Gerald McDermott s Arrow to the Sun Maurice Sendak s Where the Wild Things Are and Chris Van Allsburg s The Garden of Abdul Gasazi Nodelman reveals how picture book narrative is affected by the exclusively visual information of picture book design and illustration as well as by the relationships between pictures and their complementary texts      *The Aphasia Therapy File* Sally Byng,Carole Pound,Kate Swinburn,2002-09-11 Different from a textbook or academic journal the File represents a collection of explicit descriptions about therapy interventions written by practitioners themselves The description of the rationale for the therapy the intervention itself and evaluation of outcomes are of paramount importance Each contributor guides the reader through the thinking that they engaged in as they decided what to do often with considerable frankness about the difficulties involved The File will be of equal value to experienced practitioners and students alike      *A Basic Attainments Programme for Young Mentally Handicapped Children* Bill Gillham,2018-09-03 First published in 1987 Most non handicapped children entering school are prepared for the school curriculum in that they have acquired incidentally a range of skills that are needed for school type attainments reading numbers etc However by definition mentally handicapped children make slower progress and do not learn so easily in this indirect fashion This book is a manual presenting a programme which sets specific objectives and methods by which mentally handicapped children can be taught the basic prerequisites of school success Implicit in this intention is the assumption that many such children can and should be admitted to ordinary schools A linked assumption is

that parents and non specialist teachers will therefore need practical guidance in this area The book will also be of value to teachers in special schools for the handicapped because it focuses on the difficult to teach basic prerequisites of school attainments Each chapter contains ceiling objectives an outline summary of step by step objectives an assessment for teaching checklist background teaching activities general teaching rules and specific teaching procedures for each stage
