*Little Bits of Joy* wisdom from a very good dog is a book for anyone who has ever loved a dog with all their heart and especially for those who have had the privilege of being the beloved companion to a dog who has the ability to teach them to truly appreciate the innate wonder of life Brinkley was such a dog From the moment he joined our family he began to instruct us beginning with a valuable lesson on starting over and learning to love again after the devastating loss of our previous dog

Over the years he would also lend his wisdom to me as I suffered the loss of the job I was planning to retire from and where all of my closest friends still worked navigated various health challenges with aging family members and just generally helped me learn to roll with the changes that had become the new norm for my once very stable life I have always felt that our dogs model some of Gods finest characteristics such as selflessness and humility better than many humans and Brinkley certainly taught me a lot about these traits And yet he also had a wonderful sense of humor and the ability to lighten our moods even in the tough times Finally he was even able to teach me how to say goodbye with grace and to embrace the circle of life as he departed to make his journey to Rainbow Bridge and a new puppy joined us to complete our little family once again Little Bits of Joy is a glimpse into just how rewarding life can be when it is shared with a cherished companion one who ultimately helps us realize our best selves through our selfless love for others Love the Man You Married Angie
