The Little Helliad Janet Morris, Chris Morris, 1988 **Encyclopedia of Fantasy and Horror Fiction** Don D'Amassa, 2015-04-22 Presents articles on the horror and fantasy genres of fiction including authors themes significant works and awards **Alternate Views, Alternate Universes** David B. Mattingly, Cathleen Cogswell, 1996 The A to Z of Fantasy Literature Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites Thomas Edward Lawrence Philip M. O'Brien, 2000 New edition of a definitive bibliography of T E Lawrence who was not only a soldier of fortune but a fascinating man with a range of interests on many subjects It covers the canon of Lawrence s work as well as much of the literature about him that has been identified to date in all languages t *The World Who's who of Women* , 1990 **Science Fiction, Fantasy, & Horror** , 1988 A comprehensive bibliography of books and short fiction published in the English language Kliatt Young Adult Paperback Book Guide , 1988 **International Who's Who of Authors and Writers 2004** Europa Publications, 2003 Accurate and reliable biographical information essential to anyone interested in the world of literature The International Who's Who of Authors and Writers offers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters Science Fiction and Fantasy Literature.
