Dinosaurs on the Roof David Rabe, 2008-06-10 In *Dinosaurs on the Roof* acclaimed author and playwright David Rabe delivers a singular work that reaffirms his extraordinary range and talent and introduces a story and a collection of characters whose genuine audacity will echo with readers for years to come In the town of Belger Iowa recently divorced Janet Cawley is attempting to find some peace and quiet and perhaps a solitary place where she can finally fall apart She s quit her job teaching fourth grade though with the money she has she will probably get along fine for another six months She still needs to extricate herself from an affair with an ex colleague that has the neighbors talking but after that she can spend her time alone jogging drinking and making the occasional trip into town Her plans are interrupted one morning by the sudden appearance of her now deceased mother s oldest friend Bernice who has an urgent matter to discuss Bernice s preacher it seems has informed his congregation that they are to be visited by the Rapture that very evening and Bernice s

first question and most pressing fear is how her dogs and cats will be fed and cared for after she's gone. Through that night and into the next the lives of these two women will become inextricably woven together as they struggle to find reason in the incomprehensible and sometimes ludicrous events that unfold and search for tangible signs of faith in themselves and the world around them. *Dinosaurs on the Roof* is a magnificent novel that speaks volumes about spirituality in the twenty-first century and explores the intimate everyday gestures of the strangers closest to us with unforgettable humor and remarkable humanity. *Subject Guide to Children's Books In Print, 1996* R R Bowker Publishing, 1996 *Joyce in the Belly of the Big Truck; Workbook* Joyce A. Meanwhile a young boy named William Trundle has only ever wished for one thing for Christmas: a dinosaur. So when Santa accidentally gives William the real Christmasaurus instead of a stuffed replica it's the BEST CHRISTMAS EVER. Until an evil man known as the Hunter decides a dinosaur will be the perfect addition to his collection. This complete republication of the now-rare volume includes exterior photographs and floor plans for 100 of these charming structures. Floor plans, photographs, and line illustrations depict such classics as a two-story six-room frame home with sun porch, a handsome brick residence with low-sweeping gables, a fireplace, and vestibule, and a charming seven-room house with a tall massive chimney balanced by a gabled entrance. Illustrations of each model are accompanied by text describing interiors, color schemes, closet space, and other amenities. An entertaining and valuable reference for restorers of older homes, this volume will delight devotees of American domestic architecture. *Subject Guide to Books in Print*, 2001
