The Complete Russian Folktale Jack V. Haney, 1999

The Dinner Party Brenda Janowitz, 2016-04-12. In Brenda Janowitz's *The Dinner Party*, long forgotten memories come to the surface. Old grievances play out. And Sylvia Gold has to learn how to let her family go. This Passover Seder is not just any Passover Seder. Yes, there will be a quick service and then a festive meal afterwards, but this night is different from all other nights. This will be the night the Golds of Greenwich meet the Rothschilds of New York City. The Rothschilds are the stuff of legends. They control banks, own vineyards in Napa, diamond mines in Africa, and even an organic farm somewhere in the Midwest that produces the most popular Romaine lettuce consumed in this country. And now Sylvia Gold's daughter is dating one of them. When Sylvia finds out that her youngest of three is going to bring her new boyfriend to the Seder, she's giddy. When she finds out that his parents are coming too, she darn near faints. Making a good impression is all she thinks about. Well, almost. She still has to consider her other daughter, Sarah, who'll be coming with her less-than-appropriate beau and his overly dramatic Italian mother. But the drama won't stop there. Because despite the food and the wine, despite the new linen and the fresh flowers, the holidays are about family.

Book of Tales William Swinton, George R. Cathcart, 2025-07-20. Reprint of the original first published in 1881. The

Antigonos publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage. The Complete Folktales of A. N. Afanas'ev, Volume II Jack V. Haney, 2015-10-06. Up to now there has been no complete English language version of the Russian folktales of A. N. Afanas'ev. This translation is based on L. G. Barag and N. V. Novikov's edition, widely regarded as the authoritative Russian language edition. The present edition includes commentaries to each tale as well as its international classification number. This second volume of 140 tales continues the work started in Volume I, also published by University Press of Mississippi. A third planned volume will complete the first English language set. The folktales of A. N. Afanas'ev represent the largest single collection of folktales in any European language and perhaps in the world. Widely regarded as the Russian Grimm, Afanas'ev collected folktales from throughout the Russian Empire in what are now regarded as the three East Slavic languages: Byelorussian, Russian, and Ukrainian. The result of his own collecting, the collecting of friends and correspondents, and in a few cases his publishing of works from earlier and forgotten collections, is truly phenomenal. In his lifetime, Afanas'ev published more than 575 tales in his most popular and best-known work, *Narodnye russkie skazki*. In addition to this basic collection, he prepared a volume of Russian legends, many on religious themes, a collection of mildly

obscene tales Russkie zavetnye skazki and voluminous writings on Slavic folk life and mythology His works were subject to the strict censorship of ecclesiastical and state authorities that lasted until the demise of the Soviet Union in the 1990s Overwhelmingly his particular emendations were stylistic while those of the censors mostly concerned content The censored tales are generally not included in this volume **Easy Stories in English for Beginners** Ariel Goodbody,2021-07-19 Once there was a student who wanted to learn English He did everything He did grammar exercises he looked at lists of vocabulary he even tried reading books for native speakers But nothing worked and he couldn t improve Then one day he found a book just for him It was full of fun easy stories that made him laugh and cry and he understood them without problem He flew through the stories and his English grew with him He had fun and so he learned You can find your happy ending too All you need to do is open this book Easy Stories in English has 10 fairy tales that will make you love with reading Get lost in famous stories like Sleeping Beauty and Cinderella with help for difficult vocabulary With different levels for every learner this book will take your English from OK to Good and from Good to Great Cover design by Geoffrey Bunting Illustration by Lizzie Knott African Fables Eudene Keidel,1999-04-13 A collection of traditional fables from Zaire each used to illustrate some aspect of Christian teaching **Dramatic Reader for Lower Grades** Florence Holbrook,2019-11-26 Florence Holbrook s Dramatic Reader for Lower Grades serves as an essential pedagogical tool in the realm of early childhood education expertly designed to engage young learners with dramatic readings that foster both literacy and expressive skills The book features a rich collection of age appropriate stories poems and dialogues thoughtfully curated to captivate the imagination of young minds Holbrook adopts a vibrant literary style using repetition rhyme and rhythm to enhance comprehension and retention while situating her work within the broader context of early 20th century educational reform that emphasized creativity and active participation in learning Florence Holbrook was not only a dedicated educator but also a passionate advocate for children s literature which led her to explore innovative methods in teaching literacy Her insights were informed by a progressive educational philosophy and her extensive experience working with young children By emphasizing the performative aspects of reading Holbrook sought to make literature accessible and enjoyable for children facilitating their emotional and intellectual growth This book is highly recommended for educators parents and caregivers seeking to enrich the reading experience for young children Holbrook s engaging selections provide an invaluable resource for instilling a love for reading and theater ultimately nurturing the critical thinking and communication skills essential for lifelong learning *Unbelievable Truths, Explanations From The Holy Spirit* Christian Born Again,2019-08-16 One day while I was busy trying to figure out how to make a living selling the notion of God and his Son Jesus Christ I stumbled into the reality of him I have been astounded ever since Jesus Christ gave me the gift of his own Spirit living in my own heart and soul That Spirit told me that he would tell me the answer to any question that I had in my heart if I would write his answer down so that I do not forget or change that answer This book is the answer to my own questions to God in the same order that they
