

DID YOU KNOW?

Felix Manalo's (Church of Christ) doctrine was being taught by the Christian Mission since 1901

Iglesia Ni Cristo (Manalo) members naively believe that after spending three days and three nights in a locked room, Felix Manalo discovered the name of the true church, the Church of Christ or Iglesia Ni Cristo in Tagalog. They don't realize that the Church of Christ (Iglesia Ni Cristo) was already preaching this doctrine since the arrival of American Missionaries in 1901, sent by the Foreign Christian Missionary Society (Disciples of Christ), the church that Felix Manalo was an evangelist for between 1909-1911.

It is extremely redundant for Felix Manalo to preach to friends at the Christian Mission (Disciples) who belonged to the group that used the name, Church of Christ and Iglesia Ni Cristo on their chapels and taught the same "Church of Christ" restorationist theology (Stone-Campbell) presented by Felix Manalo.

Felix Manalo hand-picked people from the Christian Mission in Punta Sta. Ana because his "Church of Christ" doctrine was similar to that of the Disciples of Christ. It would be familiar territory with his Christian Mission friends. After all, his teaching was identical to that of the Christian Mission which taught restorationism and used Romans 16:16 and Matthew 18:18 as part of their theology. Thus, it was very easy to set up an independent body of Christ (Church of Christ) that is started by a native Filipino.

It is very clear, that Felix Manalo never fully rejected the Disciples of Christ (Christian Mission) after his departure from them in 1911, to join the Adventists church. It is a fact, that Felix Manalo continued to develop very strong connections with the Christian Mission (Disciples) even until the late 1930s.

The Letters to the Thessalonians GENE L GREEN,2020-05-21 In this commentary Gene Green reads Paul's two letters to the Thessalonians in light of the canon of Scripture and of new knowledge about the first century world of Thessalonica This fruitful approach helps illuminate the impact of the gospel on its original readers and in turn shows how potent a force it can be for the church and society today The book begins with an in depth study of the Thessalonians themselves their history land socioeconomic conditions and religious environment This fascinating discussion gives the necessary context for fully appreciating the circumstances surrounding the founding of the city's first church and the subsequent struggles of the Thessalonian believers to live out their Christian faith The main body of the book provides informed verse by verse commentary on 1 2 Thessalonians that extracts the fullest possible meaning from these important New Testament texts As Green's exposition shows the Thessalonian scriptures are especially valuable as letters of friendship and for showing Paul's pastoral concern for the many areas in which the Thessalonians needed guidance Some of Paul's purposes are to thank the new believers for their steadfastness amid suffering to encourage them in their trials to urge them not to neglect their daily work and no less important to teach them about the future of believers who die before Christ returns Indeed the matter of the last things and the second coming of Christ so permeates these texts that they are often called Paul's eschatological letters Filled with new information about ancient society this commentary will fast become a standard reference work for Bible study By carefully bridging the biblical and modern worlds Green shows with clarity and warmth the continuing

relevance of 1 2 Thessalonians for contemporary readers **A Rwandan Bishop's Confession** Joel Kubwimana, 2021-08-12
In this book I analyze why Bishop Aloys Bigirumwami prioritizes the use of the native language and the value of primal religions in spreading the gospel According to Bigirumwami the gospel should be taught in the native language because it is the people's heart language On the other hand when the message is spoken in non native languages the gospel may spread but it does not reach the hearts of the people As for the primal religions tradition religions for Bigirumwami they are part of what Jesus came to fulfill rather than abolish In Rwanda Western missionaries neglected the Rwandan primal religions by demonizing them and the result was that the gospel was not planted in the good soil the reason why the genocide against the Tutsi was executed in 1994 in a country where 91 percent of its population were Christians A part of exploring the Christian mission history in Rwanda this book points out the need to continue where Bigirumwami and others of his time left off in their effort of inculturation of the Christian faith in Rwanda and Africa in general **The Chinese Recorder and Missionary Journal** ,1906
