Little Of Dumb Questions:

The Little Book of Big Questions Jackie French, 1998 A book that tries to answer all the big questions about life death and the universe a mixture of science and philosophy put in simple terms that 10 to 12 year olds can understand

Jeremiah, Great but Small Linda Porras, 2014-08-21 Jeremiah is a precocious child and while very intelligent and advanced in his 3 Rs is still an active little boy He sees the world as a wonderous place and takes many things he sees and hears at face value Above all he wants to please his parents his teachers and most of all God In this story people in Jeremiah's world learn what it is like to see life through the eyes of a child and how important it is to safeguard and enjoy them for the short time they are entrusted to us Stupid Questions Asked of Jesus Timothy L. Brinkley, 2011-02-19 Even the disciples were sometimes guilty of asking Jesus some pretty dumb questions This book is comprised of a collection of messages focusing on questions that various people asked the Lord and his profound responses Many of the basic truths of Christianity are confirmed and supported in what Jesus said as he answered these stupid questions Background information in the scripture context is also highlighted to further reveal the messages contained in the words of Christ Make Noise Eric Nuzum, 2019-12-10 An interestingly idiosyncratic and personal vision of how to make podcasts Ira Glass Veteran podcast creator and strategist Eric Nuzum distills a career's worth of wisdom advice practical information and big picture thinking to help podcasters make noise to stand out in this fastest of fastest growing media universes Nuzum identifies core principles including what he considers the key to successful audio storytelling learning to think the way your audience listens He delivers essential how tos from conducting an effective interview to marketing your podcast developing your audience and managing a creative team He also taps into his deep network to offer advice from audio stars like Ira Glass Terry Gross and Anna Sale The book's insights and guidance will help readers successfully express themselves as effective audio storytellers whether for business or pleasure or a mixture of both *The Demon-Haunted World* Carl Sagan, 2011-07-06 NEW YORK TIMES BESTSELLER From the renowned astronomer and author of *Cosmos* comes a powerful and stirring defense of informed rationality The Washington Post Book World in a world where fake news stories and Internet conspiracy theories play to a disaffected American populace LOS ANGELES TIMES BOOK PRIZE WINNER Glorious A spirited defense of science From the first page to the last this book is a manifesto for clear thought Los Angeles Times How can we make intelligent decisions about our increasingly technology driven lives if we don't understand the difference between the myths of pseudoscience New Age thinking and fundamentalist zealotry and the testable hypotheses of science Casting a wide net through history and culture Pulitzer Prize winning author and distinguished astronomer Carl Sagan argues that scientific thinking is critical not only to the pursuit of truth but to the very well being of our democratic institutions He examines and authoritatively debunks such celebrated fallacies as witchcraft faith healings demons and UFOs And yet disturbingly in today's so called information age pseudoscience is burgeoning with stories of alien abduction channeling past lives and communal

hallucinations commanding growing attention and respect As Sagan demonstrates with lucid eloquence the siren song of unreason is not just a cultural wrong turn but a dangerous plunge into darkness that threatens our most basic freedoms

Seeker Small Groups Garry Poole,2003 Principles and methods for effectively launching a seeker small group Best selling author and evangelism expert Lee Strobel describes seeker small groups as One of the most powerful and effective tools in evangelism A seeker small group is facilitated by a Christian leader but group members are seekers non Christians investigating Christianity The group provides a safe context for seekers and believers to ask questions and dialogue about faith This highly transferable model can be implemented by all kinds of ministries with a wide range of evangelistic styles and strategies As believers complete evangelism courses such as *Becoming a Contagious Christian* they are motivated to reach out to others but often feel they lack opportunities to interact with non Christians *Seeker Small Groups* is the missing evangelism tool churches need to fill the gap between evangelism training and real life opportunities for engaging seekers in life changing spiritual discussions The book presents a detailed step by step process for launching seeker small groups strategy in a wide variety of settings The groups are for seekers whether or not they are attending church Numerous stories and illustrations provide inspiration and encouragement so readers are not only equipped but also motivated to launch their own seeker groups
