King, 2022-05-10 Master storyteller Stephen King presents the classic 1 New York Times bestseller now a major motion picture Andy McGee and Vicky Tomlinson were once college students looking to make some extra cash volunteering as test subjects for an experiment orchestrated by the clandestine government organization known as The Shop But the outcome unlocked exceptional latent psychic talents for the two of them manifesting in even more terrifying ways when they fell in love and had a child Their daughter Charlie has been gifted with the most extraordinary and uncontrollable power ever seen pyrokinesis the ability to create fire with her mind Now the merciless agents of The Shop are in hot pursuit to apprehend this unexpected genetic anomaly for their own diabolical ends by any means necessary including violent actions that may well ignite the entire world around them as Charlie retaliates with a fury of her own **The Firestarter's Guide to Ignition**

Pasquale De Marco, 2025-05-05 The Firestarter's Guide to Ignition is the definitive guide to the causes and prevention of fires Written by Pasquale De Marco a fire investigator with over 20 years of experience this book provides a comprehensive overview of the science of ignition The book is divided into 10 chapters each of which covers a different aspect of ignition The first chapter provides an overview of the fire triangle and tetrahedron and discusses the different types of ignition sources The second chapter focuses on the ignition of gases and vapors while the third chapter covers the ignition of dust clouds The fourth chapter discusses the ignition of liquids and the fifth chapter covers the ignition of solids The sixth chapter examines self heating and the seventh chapter covers explosives and pyrotechnics The eighth chapter discusses external ignition sources and the ninth chapter covers preventive measures The tenth chapter presents a series of case studies which illustrate the different ways in which fires can start The Firestarter's Guide to Ignition is an essential resource for anyone who wants to understand the causes and prevention of fires It is written in a clear and concise style and is packed with valuable information Whether you are a firefighter a fire investigator or simply someone who wants to learn more about fire

safety this book is a must read Fires can be devastating but they can also be prevented By understanding the causes of fires we can take steps to prevent them from happening The Firestarter s Guide to Ignition provides the knowledge and tools you need to keep yourself your family and your community safe from fire If you like this book write a review on google books

God's Fire Starters Donald A. Broadwater,2008-10 When it comes to having a desire to see things change it is obvious that most Christians are ready for it The problem is that churches have tried every program available and yet they still feel that there is something missing from their ministry This book takes a fresh look at ministry and challenges us to consider that we may have actually left God out of the ministry equation by not realizing how desperately we need for God s Spirit to set us on fire Take a journey through the Bible and discover for yourself how God s fire is present when God is on the move Discover how God s fire reveals his character as well as our calling to be transformed into the image of Christ You will also discover how being one of God s Fire Starters can be one of the most exciting adventures of anyone s life Donald A Broadwater was born in Roanoke Virginia and spent most of his early life growing up around the Blue Ridge Mountains He graduated from Covenant College and Westminster Theological Seminary and for the past three decades Don and his family have been on an adventure that has taken them from America to Australia He is married to Gloria and has two grown children from their 37 year marriage God has unfolded a unique ministry of discipleship that has sought to encourage people to take their next step on a Journey in Jesus This ministry is needed because our journeys are as unique as God who is fashioning them for us He has also spoken for church camps and seminars which have included the international conference Fire on the Mountain on Mt Tambourine in Queensland Australia Contact him at www.journeyinjesus.com for additional information or for scheduling seminars for your ministry
