Fire Over Atlanta:

Atlanta's Ponce de Leon Avenue Sharon Foster Jones, 2012-02-27 Named for the famous Spanish explorer who was said to have discovered the Fountain of Youth Atlanta's Ponce de Leon Avenue began as a simple country road that conveyed visitors to the famous healing springs Now few motorists realize that the avenue one of Atlanta's major commuter thoroughfares was a prestigious residential street in Victorian Atlanta home to mayors and millionaires An economic turn in the twentieth century transformed the avenue into a crime ridden commercial corridor but in recent years Atlantans have rediscovered the street's venerable architecture and storied history Join local historian Sharon Foster Jones on a vivid tour of the avenue from picnics by the springs in hoopskirts and Atlanta Crackers baseball to the Fox Theatre and the days when Vivien Leigh Clark Gable and Al Capone lodged in the esteemed hotels lining this magnificent avenue The Standard, 1919 *The Spectator*, 1903 Bulletin Insurance Library Association of Boston, 1910 *Fire and Water Engineering*, 1904 **Permanent Builder**, 1917 *Fire Over Atlanta* Gilbert Morris, 1997-04-01 While the fires burn in Atlanta love burns in the hearts of both Yankees and Rebels After seeing the way Jeff looks at pretty little Lucy Driscoll Leah fears she's lost his interest forever She's got a plan that will make him green with jealousy But will her plan backfire And love is brewing on the front lines too Will Royal or Drake win the hand of the lovely Miss Lori And what will become of quirky Charlie The poor orphaned girl acts more like a boy than a young lady seeking to become a fine Southern woman The excitement continues and true love is revealed in another story of the Bonnets and Bugles of the Civil War *Fire Over Atlanta* is the ninth of a ten book series that tells the story of two close families find themselves on different sides of the Civil War after the fall of Fort Sumter in April 1861 Thirteen year old Leah becomes a helper in the Union army with her father who hopes to distribute Bibles to the troops Fourteen year old Jeff becomes a drummer boy in the Confederate Army and struggles with faith while experiencing personal hardship and tragedy The series follows Leah Jeff family and friends as they experience hope and God's grace through four years of war **Boarding Home Fires** United States. Congress. House. Select Committee on Aging, 1981 Southern Merchant, 1907 *AN OLD COOT'S ESSAYS ABOUT AN EARLIER GEORGIA AND OTHER TOPICS* Eddie Rollins, 2014-02 Since the middle of the twentieth century Atlanta has risen from a city of the Old South to a great international city with major league sports teams and one of the world's busiest airports However in the process Atlanta has lost its quaint old Southern charm The South had an opportunity to win its independence in the War between the States as late as 1864 but its Confederate leaders blew it Abraham Lincoln was a great man and a great statesman but a poor commander in chief as evidenced by the excessive length of time required to win the Civil War and the huge number of casualties The lynching of Leo Frank was one of the terrible tragedies in Atlanta history but he was not another innocent Alfred Dreyfus The United States reached its peak of power and influence during World War II and the Cold War Future historians will chart the beginning of the decline and fall of our country with the advent of the decadent baby boomer generation **Dictionary of**
