The Works of Ralph Waldo Emerson ... Fireside Edition Ralph Waldo Emerson,1909 *Freacnairc mhearcair* Michael Davitt,2000 A dual language collection of poetry by one of the most vibrant and innovative Irish language poets Michael Davitt is a very well known Irish writer and broadcaster He founded the poetry broadsheet and journal Innti and was a central figure in a new movement in Gaelic poetry in the 1970 s He became a friend of Sean O Riordain to who s metaphysical wit he gave a sharp vernacular edge Davitt was also influenced by the linguistic virtuosity of the American e e cummings the Beat poets and American popular culture His poems have a wide awake conscience that holds a mirror to contemporary Irish society while his poems about and for people he admires capture their force and vitality This is the first time Davitt s poems have appeared together in a single volume and the translations were carefully worked by a number of leading Irish poets including Brendan Kennelly Paul Muldoon and John Montague Students of Irish poetry and poetry lovers alike will enjoy this selection *The Month* ,1889 The Pastor's Fireside ... The Third Edition Jane Porter,1821 **The Dutchman's Fireside** James Kirke Paulding,1837 **The Fireside Book** ,1837 *The Ways of Men* Eliot Gregory,1900

The gentleman who graced the gubernatorial armchair of our state when this century was born happened to be an admirer of classic lore and the sonorous names of antiquity It is owing to his weakness in bestowing pompous cognomens on our embryo towns and villages that to day names like Utica Syracuse and Ithaca instead of evoking visions of historic pomp and circumstance raise in the minds of most Americans the picture of cocky little cities rich only in trolley cars and Methodist meeting houses *The Ways of Men* Eliot Gregory,2021-04-25 In *The Ways of Men* Eliot Gregory explores the complexities of human nature and social conduct through a series of vivid character studies set against the backdrop of early 20th century America His prose elegantly blends realism with psychological insight painting a tapestry of moral dilemmas and personal choices that reflects the transitional societal norms of his time The book s narrative structure which traverses multiple perspectives enhances its thematic depth inviting the reader to contemplate the inherent conflicts between individual desires and societal expectations Eliot Gregory an astute observer of human behavior and a product of his era drew inspiration from his own experiences navigating the cultural shifts of a rapidly modernizing society Born into a prominent family with a rich literary legacy Gregory was well acquainted with the intellectual debates of his time particularly those concerning morality ethics and the shifting boundaries of masculinity and femininity Such insights shape the characters in *The Ways of Men* offering a reflective lens on human frailty and resilience This book is highly recommended for readers interested in the intricate dynamics of human relationships and the forces that shape societal values Gregory s thoughtful narrative

encourages introspection and invites debate making it an essential read for anyone fascinated by the complications of human behavior and the moral tapestry of life *Scott. Hogg. Campbell. Chalmers. Wilson. De Quincey. Jeffrey Edward Tuckerman* Mason,1885 *The fireside sphinx* Agnes Repplier,2022-07-20 Agnes Repplier s *The Fireside Sphinx* is a compelling exploration of the feline s intricate role within Western literature tracing its paws from the whispered origins in ancient narratives to its lofty perch in contemporary prose Repplier employs a rich literary style weaving historical anecdotes with vibrant character studies to illuminate the cat s nine lived journey through culture and time The tome positions the cat not merely as a domestic companion but as an emblematic creature within literature adept at mirroring human complexity and oftentimes serving as a conduit for metaphor and mystique By chronicling the literary evolution of the cat beginning with the whimsical tale of its divine sneeze into existence aboard Noah s Ark Repplier encapsulates the animal s persistent presence alongside humankind s own saga Agnes Repplier 1855 1950 an American essayist known for her wit and keen observations on culture and society was a preeminent voice in the preservation of historical literary commentary Her own affinity for the feline form no doubt guided her hand in crafting *The Fireside Sphinx* Repplier s academic rigor is evident in her meticulous chronicling of the cat s literary legacy effortlessly bridging the gap between the pet s enigmatic physical grace and its storied symbolic essence Her work is deeply rooted in the tradition of examining the interplay between culture and the animal kingdom and she summons a depth of insight and scholarly appreciation befitting one of her intellectual repute In *The Fireside Sphinx* Agnes Repplier invites the reader into a lush tapestry of narrative grace and historical detail offering both a scholarly feast and a delightful indulgence for those fascinated by the enigmatic cat This book is warmly recommended not only to the literati and feline aficionados but also to anyone interested in the cultural history that shapes our understanding of the world around us It is both a valuable contribution to animal studies in literature and a charming ode to one of humanity s most storied companions the cat *Library of Congress Subject Headings* Library of Congress. Cataloging Policy and Support Office,2004 Mother's Remedies: Over One Thousand Tried and Tested Remedies from Mothers of the United States and Canada Thomas Jefferson Ritter,2016-08-25 *Mother s Remedies Over One Thousand Tried and Tested Remedies from Mothers of the United States and Canada* Medicine is not an exact science and it is reasonable to presume that even Time with all its qualifying influences will fail in its effects on this one branch of science As the millions of faces seem each to present some differentiating feature so each human system seems to require special study of its individual temperament Library of Congress Subject Headings Library of Congress,2004 **The Christian Pioneer** ,1872 *Johnston's Penny Fireside Journal* ,1842 *The Fireside Encyclopædia of Poetry* Henry Troth Coates,1878 OUR OWN FIRESIDE REV.
