# Finding Reading And Using The Law

**Suzanne McKie**

## **Finding Reading And Using The Law:**

**Finding, Reading, and Using the Law** Anne M. Stevens, 2002 Finding Reading and Using Law is designed for legal studies and legal assistant students at the undergraduate level. It is also an excellent resource for legal assistants, paralegals, and anyone interested in conducting effective legal research, analysis, and writing. **Legal Research: How to Find and Understand the Law** Suzanne McKie, 2012-09-10 Many students and first-time practitioners may know of certain legal textbooks which cover a certain area but do not know where to look to update the knowledge these books provide. Similarly, a legal problem may arise which is not generally covered by such books. This work deals with how to find the answers, how to update an answer, how to discover if those cases have been applied since judgement was given, how to find statutes and regulators, and how to research and understand the law. **The Law Journal**, 1867 **The Law Student's Handbook** Steve Wilson, Stephen R. Wilson, Phillip Kenny, 2010-06-24 The Law Student's Handbook offers a practical guide to studying law, covering in detail the practical study and academic skills required to study law. Key point and hint boxes, as well as checklists, encourage active learning and understanding, while the Online Resource Centre provides additional information, including student testimonials. **Employability Skills for Law Students** Emily Finch, Stefan Fafinski, 2014-02-20 This book aims to be used as a student textbook in the UK for dedicated employability modules and as a companion where institutions do not currently run specific modules. **Law School For Dummies** Rebecca Fae Greene, 2011-04-27 The straightforward guide to surviving and thriving in law school. Every year more than 40,000 students enter law school, and at any given moment there are over 125,000 law school students in the United States. Law school's highly pressurized, super-competitive atmosphere often leaves students stressed out and confused, especially in their first year. Balancing life and schoolwork, passing the bar, and landing a job are challenges that students often need help facing. In *Law School For Dummies*, former law school student Rebecca Fae Greene uses straight talk, sound advice, and gentle humor to help students sort through the swamp of coursework and focus on what's important, all while maintaining a life. She also offers rare insight on the law school experience for women, minorities, non-traditional, and non-Ivy League students. **English Legal System** Steve Wilson, Stephen R. Wilson, Helen Rutherford, Tony Storey, Natalie Wortley, 2014-05 How is the English legal system structured, and who takes part in it? Does the system ever get it wrong? This new textbook provides a clear and accessible guide to the workings of the English legal system. Features such as thinking points, key debates, and talking points help you to engage with the key areas of debate and controversy, giving you an excellent grounding for the rest of your studies. Online Resource Centre An Online Resource Centre provides 150 multiple-choice questions with answers and feedback. Regular updates. Practical examples of essay questions and answers. **An Introduction to Law** Agustín A. Gordillo, 2003 **Starting with law** The Open University, This 3-hour free course gave an introduction to law by exploring the legal concepts of legal capacity and our individual rights and responsibilities. **Legal Systems and Skills** Judith Embley, Peter

Goodchild, Catherine Shephard, 2020 An innovative solution to teaching English legal system and legal skills this book provides a holistic and contextual understanding of legal systems and skills both academic and professional to underpin and enhance legal studies providing a foundation for graduate employability both within and outside the legal profession
