Finding A Clear Path:

The Rules of Programming Chris Zimmerman,2022-12-09 This philosophy of programming guide presents a unique and entertaining take on how to think about programming A collection of 21 pragmatic rules each presented in a standalone chapter captures the essential wisdom that every freshly minted programmer needs to know and provides thought provoking insights for more seasoned programmers Author Chris Zimmerman cofounder of the video game studio Sucker Punch Productions teaches basic truths of programming by wrapping them in memorable aphorisms and driving them home with examples drawn from real code This practical guide also helps managers looking for ways to train new team members The rules in this book include As simple as possible but no simpler Let your code tell its own story Localize complexity Generalization takes three examples Work backward from your result not forward from your code The first lesson of optimization is don t optimize A good name is the best documentation Bugs are contagious Eliminate failure cases Code that isn t running doesn t work Sometimes you just need to hammer the nails

Finding Home Colleen Johnson,2023-01-07 This book takes a unique approach to the idea of soul care by comparing it to the concept of home When we allow Jesus to do a transformational work in our souls to give us the feeling of home loved secure nourished accepted and healing every day When we make it a practice to cultivate Jesus presence within us we will feel at home in our inner being instead of being spiritually and emotionally homeless When we cultivate the presence of Jesus and work through key soul care principles and develop a rhythm of a practices that incorporate the spiritual disciplines of feeding on God s Word worship and thanksgiving listening prayer praying scripture and times of fasting and solitude it leads our soul home These practices create an atmosphere that God uses to fill us with more of Himself and His ways The more of God we have the more He guides us to tear down walls of self protection find the truth of who we are in Christ and defeat the attacks of our enemy Satan so that we start walking more as Jesus walked This process brings our soul to the home where it belongs
