Imperial Islands Joseph R. Hartman, 2021-11-30 When the USS Maine mysteriously exploded in Havana s harbor on February 15 1898 the United States joined local rebel forces to avenge the Maine and liberate Cuba from the Spanish empire Remember the Maine To Hell with Spain So went the popular slogan Little did the Cubans know that the United States was not going to give them freedom in less than a year the American flag replaced the Spanish flag over the various island colonies of Cuba Guam Puerto Rico and the Philippines Spurred by military successes and dreams of an island empire the US annexed Hawai i that same year even establishing island colonies throughout Micronesia and the Antilles With the new governmental orders of creating new art architecture monuments and infrastructure from the United States the island cultures of the Caribbean and Pacific were now caught in a strategic scope of a growing imperial power These spatial and visual objects created a visible confrontation between local indigenous African Asian Spanish and US imperial expressions

These material and visual histories often go unacknowledged but serve as uncomplicated proof for the visible confrontation between the US and the new island territories The essays in this volume contribute to an important art historical visual cultural architectural and materialist critique of a growing body of scholarship on the US Empire and the War of 1898 Imperial Islands seeks to reimagine the history and cultural politics of art architecture and visual experience in the US insular context The authors of this volume propose a new direction of visual culture and spatial experience through nuanced terrains for writing envisioning and revising US American Caribbean and Pacific histories These original essays address the role of art and architecture in expressions of state power racialized and gendered representations of the United States and its island colonies and forms of resistance to US cultural presence Featuring interdisciplinary approaches Imperial Islands offers readers a new way of learning the ongoing significance of vision and experience in the US empire today particularly for Caribbean Latinx Pilipinx and Pacific Island communities

Sanctuary Zenju Earthlyn Manuel,2018-04-03 A singular work of poetic prose exploring otherness and belonging and what it means to be truly at home Sanctuary A Meditation on Home Homelessness and Belonging examines the interface between inner and outer sanctuary and the ways they affect one another Sanctuary is the home we can return to when our lives are under threat where we can face what s difficult to love and have a place where we can truly say I am home and spiritual teachers often emphasize sanctuary s inner dimensions that our true home is within Homelessness in turn can be viewed as a forced experience or one in which there is a spiritual void in being or feeling home Drawing from her life as a Zen Buddhist priest whose ancestors labored as slaves in Louisiana Zenju Earthlyn Manuel explores the tension between oppression based on race religion ability class orientation gender and other ghosts of slavery and finding home within our own hearts Through intimate personal stories and deep reflection Manuel helps us see the moment when the unacknowledged surfaces as the time we have been practicing for the epiphany when we can investigate the true source what has been troubling us This insightful book about home and homelessness sanctuary and refuge offers inspiration encouragement and a clear eyed view of cultivating a spiritual path in challenging times

Reorganising the Galaxy Suzann Dodd,2022-01-08 This is the continuation of the story which began as The Right Thing It is one year after the ZerShaz have conquered all known planets and are in control of the galaxy

Jane Marie,2010-07 Her goal is to seek the truth of her life by understanding and accepting the choices she makes Her feelings and thoughts about the past present and future are poignantly written and shared in her story The pitfalls and inconstancy during her

childhood ultimately shape who she is but her choices in adulthood would prove to be more demanding of her best efforts Her adventurous and courageous spirit is her guiding force as she flounders through life desperately seeking her waters of peace and balance She is persistently striving for purpose and meaning Despite a multitude of obstacles losses and responsibilities throughout her life she bravely clings To The hope of true happiness by openly sharing her stories of challenge She does this with the curiosity to learn not only about life And The people around her but especially about herself with optimism adventure enthusiasm and rediscovery She is not unlike many who face adversity in life but she finds that her final revelation about herself will be the one challenge that will ultimately test her true mettle **The British Plutarch**

The Only Mind Worth Having Gardner Fiona,2016-11-24 In The Only Mind Worth Having Fiona Gardner takes Thomas Merton s belief that the child mind is the only mind worth having and explores it in the context of Jesus challenging paradoxical and enigmatic command to become like small children Shedemonstrates how Merton s belief and Jesus command can be understood as part of contemporary spirituality and spiritual practice To follow Christ s command requires a great leap of the imagination Gardner examines what it might mean to make this leap when one is an adult without it becoming sentimental and mawkish or regressive and pathological Using both psychological and spiritual insights and drawing on the experiences of Thomas Merton and others Gardner suggests that in some mysterious and paradoxical way recovering a sense of childhood spirituality is the path towards spiritual maturity The move from childhood spirituality to adulthood and on to a spiritual maturity through the child mind is a move from innocence to experienceto organised innocence or from dependence to independence to a state of being in dependence with God
