Bohemians Moravians Bohemian Jews and the Slovaks These people excelled in just about every facet of human undertaking Even though a total number of these immigrants were fewer than other ethnic groups their accomplishments were phenomenal Nothing like this has ever been published since the time Thomas Capek wrote his classic *The Cechs Bohemians in America* some one hundred years ago *Still Going Strong* Janet Amalia Weinberg, 2012-11-12 It s terrible to get old Life is all downhill after fifty That s what our youth centered culture may think but don t be duped Selected as a finalist for 2006 Independent Publisher Book Awards this book can change how you think about aging even make you feel good about getting old a liberating change is happening a change as momentous as the liberation movements of the 1960s and 70s It brings respect for older people appreciation for maturity and the promise of a more balanced culture from the Introduction by Margaret Karmazin and Janet Amalia Weinberg Discover a new positive way of looking at aging with *Still Going Strong* Memoirs Stories and Poems About Great Older Women This exuberant inspiring anthology celebrates the vitality of older women and shows them having adventures facing loss enjoying romance and feeling more capable and confident than ever The 42 authors included in the collection know that life after middle age is not the diminished state dreaded by our youth centered culture but rather a time of growth and fulfillment enriched by the wisdom of experience and perspective Get a taste of the passion wit and wisdom of some of these women From *Why Vermont* by Elayne Clift It was great not to be driven by achievement I was learning the art of laid back living Spending a day writing or reading was heavenly and I was reminded of my freedom whenever a friend said I d give anything to be doing that From *Gray Matters* by Marsha Dubrow finally I have decided to enjoy being a gray It links me with a powerful sisterhood complimenting each other on our gray badge of courage A woman with dreadlocks resembling pillars of salt approached me on the street and said You go girlfriend We re gray and we re proud and gorgeous We smacked high fives From *Katherine Banning Wife Mother Bank Robber* by Melissa Lugo Crazy you say Well wait till you hit 90 and realize you still want to live that even though you re way past menopause you want another child and that even though your breasts make tracks in the mud you still want a lover and that even though your hands shake there are still things that you didn t get to do like going to the Olympics and bringing home the gold things you want to do that you will do Then see what you re capable of And you ll be perfectly sane Senility temporary insanity it s all bull Old folks know exactly what they re doing One of the good parts about being an old fart is that you have a license to be loony tunes to live the wild way you didn t have the balls for before At 90 you see your dignity s gone the way of dirty diapers and your life is heading the same way fast You have nothing to lose except the moment From *A Different Woman* by Joan Kip My relationship with Seth is I tell him my great experiment He calls me on every one of my tightly held protections and his pleasure in meeting my body is matched by my own freedom to respond Ours is a relationship with no hidden agenda no commitments Our occasional evenings of uncomplicated delight are the intertwining of two desires who touch down and embrace one another knowing they will meet again sometime somewhere And while sex is not absent from our meetings it is

rather my compelling ache to be touched and held and to touch and hold that pulls me back each time to Seth Like the newly born whose being depends upon the enfolding presence of a parent those of us who are now so old glow more warmly when we too may share our tenderness Still Going Strong counters demeaning stereotypes of little old ladies by offering positive empowering views of women over fifty It is a hopeful voice that speaks to any woman facing her own future **Calyx** ,2003

Heartbeats in Stones Pamela Uschuk,2010-08-31 The poet s eye never misses the incongruity of things that cuts to the bone an obsidian scalpel of love that keeps racing with her in the space between life and death adoration and hatred It may be that balance is axiomatic but always it is imperiled a saving grace necessary and the eye nervously glancing between heaven and earth Pamela Uschuk is a political poet defiant in the face of injustice as well as a poet of Eros She s nobody s fool She resurrects in her poems the brutalized the murdered the lost of the world those who have no voice of their own She pulls them close And when she turns to the world s gliding wonders she does so with a precise eye and everything she sees is absorbed by her uniquely compassionate voice Dennis Sampson author of Constant Longing and Needlegrass **Parabola** ,1976 Notable American Women with Czechoslovak Roots Miloslav Rechcigl Jr.,2019-09-16 Even though there exist only

a few general studies on the subject of Czechoslovak American women this is not at all a reflection of the paucity of work done by these women as this publication demonstrates This monograph is a compendium of notable American women with Czechoslovak roots who distinguished themselves in a particular field or area from the time they first immigrated to America to date Included are not only individuals born on the territory of former Czechoslovakia but also their descendants This project has been approached strictly geographically irrespective of the language or ethnicity Because of the lack of bibliographical information most of the monograph comprises biobibliographical information in which area a plethora of information exists As the reader will discover these women have been involved practically in every field of human endeavor in numbers that surprise On the whole they have been noted for their independent spirit and nonconforming role **Hook & Bloodline** Chip Dameron,2000 **Finding Favor and the Secret of Rainbow Moor** Yvette S.M.
