Frank,2006

Challenging the classic horror frame in American film American filmmakers appropriate the look of horror in Holocaust films and often use Nazis and Holocaust imagery to explain evil in the world say authors Caroline Joan Kay S Picart and David A Frank In *Frames of Evil The Holocaust as Horror in American Film* Picart and Frank challenge this classic horror frame the narrative and visual borders used to demarcate monsters and the monstrous After examining the way in which directors and producers of the most influential American Holocaust movies default to this Gothic frame they propose that multiple frames are needed to account for evil and genocide Using Schindler s List The Silence of the Lambs and Apt Pupil as case studies the authors provide substantive and critical analyses of these films that transcend the classic horror interpretation For example Schindler s List say Picart and Frank has the appearance of a historical docudrama but actually employs the visual rhetoric and narrative devices of the Hollywood horror film The authors argue that evil has a face Nazism which is configured as quintessentially innate and supernaturally crafty *Frames of Evil* which is augmented by thirty six film and publicity stills also explores the commercial exploitation of suffering in film and offers constructive ways of critically evaluating this exploitation The authors suggest that audiences will recognize their participation in much larger narrative formulas that place a premium on monstrosity and elide the role of modernity in depriving millions of their lives and dignity often framing the suffering of others in a manner that allows for merely documentary enjoyment **Deviant** Harold Schechter,2010-05-11 From the author of top drawer true crime Booklist books comes the definitive account of Ed Gein the man whose shocking crimes inspired Psycho The Texas Chain Saw Massacre and The Silence of the Lambs The year was 1957 To his Wisconsin neighbors Ed Gein was a slight Midwestern farmhand with a twisted little smile To an unsuspecting nation he would become one of the
