Jon to a small town in Northern California far away from the unbearable memories of the life that she so desperately wanted to have back What nobody could have anticipated was that right there in that small town was a coven of vampires who had been waiting years to save her Now being faced by the sexy mysterious red eyed man Benjamin Row Gabby is forced to make a forever life changing decision that would alter the lives of all of them Besides giving up her mortality Gabby is also faced with the everyday bumps in the road that only make her decision easier But will becoming a powerful vampire with her new love really change what happened to her Will Gabby grow stronger and finally accept her losses or will she be stuck with the haunting memories of her human life for all of eternity I'm Still Standing Mel Carnegie,2013 In I m Still Standing Mel Carnegie vividly recounts how she has fought adversity since childhood beginning with the death of her father when she was just four years old and culminating with the discovery that her ten year marriage had been nothing but a sham She now believes that the man she called her soulmate was a sociopath Sociopaths or psychopaths as they are also known live and breathe among us They have no conscious No empathy No remorse And there is no easy way to tell them apart from other people Sociopaths are expert manipulators and they are real not just the fantasy of some Hollywood filmmaker They look normal and they sound normal Typically they come across as being charming charismatic and the life and soul of the party But underneath the mask they are nothing but predators searching for people and situations that will give them their next hit whatever that might be money status sex a fa ade of credibility They see other people as nothing more than providers who usually don t notice what they re doing until it s too late Leaving trails of chaos confusion and destruction behind them they ll simply move straight on to their next willing target without even a backwards glance When Mel discovered the truth about the man she called her soulmate she pulled on all her life experiences to make sense of an unimaginable mess and fight her way back to life and to ultimate victory Here she shares her journey with candid and often brutal honesty in the hope that she can help others recognise and escape the clutches of emotional abuse This is her heart rending and ultimately inspirational story Molech Rising Todd Martin,2018-06-09 A Christian tale of spiritual warfare Two urban families come together seemingly by accident and find themselves in the midst of a diabolical spiritual plot The story shows what the author

understands to be everyday spiritual warfare that every person faces on a daily basis whether they are Christian or not
