Trumpet to the World Mark Harris,1989-01-01 First published in 1946 Trumpet to the World can be seen as a landmark novel rare for its profound rendering of a black man s experience in Jim Crow America and prophetic of the social changes to come in the next decade Its protagonist Willie Jim could have been brutalized by his family s hard existence in Georgia but he heads out early could have been thoroughly demoralized by bigotry and discrimination in a hundred forms but he learns to read and write and thinks for himself could have been emotionally unfulfilled but he learns to love in the midst of hate After his marriage to a white woman Willie Jim caught up in the maelstrom of World War II is sent to an army camp in the South where his duty includes teaching English to other soldiers A tragic event there compromises his future at the very moment a book he has written trumpets to the world his dream of social justice and universal brotherhood The Corpse Had a Familiar Face Edna Buchanan,2009-07-14 This classic by the Pulitzer Prize winning author is her nonfiction masterpiece a tale of life and death on Miami s streets which she covered for 18 years for The Miami Herald Reissue **The Bridgemen's Magazine** ,1928 **The Spare** Miranda Dubner,2020-04-14 I m publicly bisexual now I ll make all the musical theatre references I please I ll belt Cole Porter songs prancing on top of this bar if I want to His Royal Highness Prince Edward Nicholas William Desmond of Wales second son of Her Majesty Queen Victoria II of England and the Commonwealth The second son of the Queen of England has certain responsibilities Dress well smile at public events uphold the family honor be straight At sixteen Edward Kensington had been convinced that hiding his bisexuality was a small price to pay to protect his mother and siblings from yet another tabloid scandal in the wake of his parents high profile divorce But over ten years later even a closet the size of Buckingham Palace feels small and his secrets have only gotten harder to keep Like being in love with his bodyguard a man by the name of Isaac Cole Then he s outed by the press The official schedule has no time for an identity crisis even though every member of the royal family seems to be having one at once Eddie s estranged father shows up His sister flirts with the reporter hired to write their grandmother s biography His older brother harboring a secret of his own is more reluctant than ever to take up public facing duties and Her Majesty is considering going out on a date And now the Public Relations Office has set Eddie the task of finding himself a suitable fianc e But when Eddie learns that Isaac returns his decidedly inconvenient feelings keeping calm and carrying on becomes impossible Prince Charming never wished harder for a men s size 12 glass slipper but life in the spotlight isn t a fairy tale and there are some dragons not even a prince can fight alone For any one of them to steal a happily ever after the Kensingtons will have to pull together for the first time since the Second World War Hold on to your tiaras It s going to be a bumpy ride A total delight If Anthony Trollope wrote a soap opera about a modern royal family what you d get is The Spare Cat Sebastian author of Hither Page Miranda Dubner has created a beautiful multi generational royal family saga with The Spare flawlessly weaving together the various dramas and romances of each character without shying away from difficult topics You ll fall into the story on the first

page and you'll never want to leave Brina Starler author of the forthcoming *Anne of Manhattan* An incredible multigenerational alternate universe royal family saga that wrings you out then fills you up again It doesn't tug at your heartstring it punches And the scorchingly beautiful queer romance at the center of it all makes it one of my all time favorites Jaida Jones co author of the *Havemercy* series and *Master of One* **Chicano-Chicana Americana** Anthony

to the grotesque bustle of sixties London Sive gives the history of her grandmother her mother and herself She traces the path of her grandmother s cruel and unbearable marriage to her mother s wild escape to London and finally to her own return to the family home Each woman endures the hardship of being poor and uneducated and of becoming involved with the wrong men Their lives are difficult and harsh and yet in their own ways they are able to draw on their inner strength to help each other have a better life Beautifully written with the Irish flare of weaving in a touch of magic Suzanne Power s The Lost Souls Reunion is the story of a mother s love for her child a woman s love for her man and a family s love for their land
