Graham Greene: The Dangerous Edge Judith Adamson, 2016-07-27 Since the war Graham Greene has travelled habitually to the world s trouble spots and has provided leading newspapers and journals with articles about what he saw While

contending that a writer must be free of political affiliations he has committed himself to many countries and causes and while insisting that literature must never be used for political ends he has written novels informed by a political urgency The Dangerous Edge is about his political reportage and how the observations that formed it were transformed into literature It is about how a novelist who struggled to record public issues dispassionately became in the process an important political conscience

White Heat Cherry Adair,2008-01-29 Never have the stakes been higher Never have two people faced greater risks or grappled with deeper desire Never has Cherry Adair award winning author of Hot Ice burned the pages with so much blazing action and blistering passion Professional art restorer Emily Greene is in no mood to see the devil may care Max Aries She hasn't forgotten or forgiven the way Max dropped into her life a year ago stole her heart then vanished without a word Max hadn't kept in touch with his father Daniel either Daniel Aries had been a master of art restoration and reproduction and not only Emily's longtime mentor but a trusted friend His unexpected suicide devastates her And when the prodigal playboy Max returns her welcome is less than warm even though his timely arrival in her bedroom saves her from a lethal intruder But her fury gives way to fear when Max reveals that his father's death was actually murder and that Emily's life is now in danger Like it or not to stay alive Emily must put herself in Max's hands And once upon a time that wasn't such a bad place to be But what killer would target professional restorers of Renaissance artworks Max suspects that a pencil sketch found in his father's studio inscribed with a cryptic code may hold the key His hunch is confirmed when intel from his control at the counterterrorist organization T FLAC reveals that the Black Rose terror cell is involved a chilling revelation that elevates the threat level almost as high as the tension that's bristling between Max and Emily Max isn't about to take his eyes off Emily though only partly for professional reasons and even Emily's rage over Max's take charge attitude can't compare to her anger at herself for so long denying the truer deeper feelings she has for him As they crisscross Europe piecing together the shocking clues to an insidious international plot dodging increasingly lethal traps and passionately making up for too much lost time they realize that in more ways than one they can't live without each other With no chance of turning back Max and Emily must put their lives on the line put their true feelings to the test and get ready to take the heat

Edge of Danger Jack Higgins,2002-04-01 Blake Johnson head of a clandestine White House operation and his Irish colleague Sean Dillon work together to stop a murderous vendetta aimed at the president of the United States who is blamed for a series of attacks on a ruthless Arab British dynast

Edge of Darkness Cherry Adair,2006-08-29 Beneath a veil of darkness danger threatens to strike An anti terrorism agent with a warrior's body and a magnetic smile Duncan Edge is working for T FLAC's special paranormal unit on a mission to halt a lethal terrorist cell Along the way Duncan crosses paths with Serena Campbell a woman of dazzling wizardry and astonishing beauty who Duncan suspects is being unwittingly used by terrorists for a vast murderous undertaking But Serena will marshal every ounce of her energy charms and smarts to steer clear of Duncan whose flirty yet disastrous childhood antics left her with a long standing grudge Now Duncan and Serena

charged with an ever growing burning desire need to set aside their past and prejudices In their paranormal world a dangerous force gathers strength and time is running out for two people who must enter the darkness together and hope there s light on the other side *IoT Edge Intelligence* Souvik Pal,Claudio Savaglio,Roberto Minerva,Flávia C.

Bell,2006-12-15 From the early 1960s until his death French philosopher Gilles Deleuze 1925 1995 wrote many influential works on philosophy literature film and fine art One of Deleuze s main philosophical projects was a systematic inversion of

the traditional relationship between identity and difference This Deleuzian philosophy of difference is the subject of Jeffrey A Bell s *Philosophy at the Edge of Chaos* Bell argues that Deleuze s efforts to develop a philosophy of difference are best understood by exploring both Deleuze s claim to be a Spinozist and Nietzsche s claim to have found in Spinoza an important precursor Beginning with an analysis of these claims Bell shows how Deleuze extends and transforms concepts at work in Spinoza and Nietzsche to produce a philosophy of difference that promotes and in fact exemplifies the notions of dynamic systems and complexity theory With these concepts at work Deleuze constructs a philosophical approach that avoids many of the difficulties that linger in other attempts to think about difference Bell uses close readings of Plato Aristotle Spinoza Nietzsche Heidegger Derrida and Whitehead to illustrate how Deleuze s philosophy is successful in this regard and to demonstrate the importance of the historical tradition for Deleuze Far from being a philosopher who turns his back on what is taken to be a mistaken metaphysical tradition Bell argues that Deleuze is best understood as a thinker who endeavoured to continue the work of traditional metaphysics and philosophy

Stranger Things: Darkness on the Edge of Town Adam Christopher, 2019-05-28 Chief Jim Hopper reveals long awaited secrets to Eleven about his old life as a police detective in New York City confronting his past before the events of the hit show *Stranger Things* Christmas Hawkins 1984 All Chief Jim Hopper wants is to enjoy a quiet first Christmas with Eleven but his adopted daughter has other plans Over Hopper s protests she pulls a cardboard box marked New York out of the basement and the tough questions begin Why did Hopper leave Hawkins all those years ago What does Vietnam mean And why has he never talked about New York Although he d rather face a horde of demogorgons than talk about his own past Hopper knows that he can t deny the truth any longer And so begins the story of the incident in New York the last big case before everything changed Summer New York City 1977

Hopper is starting over after returning home from Vietnam A young daughter a caring wife and a new beat as an NYPD detective make it easy to slip back into life as a civilian But after shadowy federal agents suddenly show up and seize the files about a series of brutal unsolved murders Hopper takes matters into his own hands risking everything to discover the truth Soon Hopper is undercover among New York s notorious street gangs But just as he s about to crack the case a blackout rolls across the boroughs plunging Hopper into a darkness deeper than any he s faced before *Angels on the Edge of the World* Kathy Lavezzo,2006 In a view that sweeps from the tenth century to the mid 16th century this text shows how the English people s concern with their island s relative isolation on the global map contributed to the emergence of a distinctive English national consciousness in which marginality came to be seen as a virtue **The Edge of Doom** Amanda Cross,2003-11-04 Rich and witty the literary whodunits by Amanda Cross are a delight for readers who like their mysteries smart and suspenseful Now comes the highly anticipated sequel to her Kate Fansler novel Honest Doubt which the Providence Journal called one of her best books in years Here Cross takes her beloved protagonist into uncharted territory turning Kate Fansler s world upside down Just when Kate Fansler thinks life couldn t possibly hold any more surprises she receives a phone call from Laurence the eldest of her imperious brothers But a woman as sharp as Kate knows that the moment one stops believing in life s little bends in the road is the time when it has more twists in store Kate has always been different from the other Fanslers a free and independent thinker in a family where propriety and decorum are prized above all She has always assumed it was because she was the youngest and the only girl in the family But over a drink with Laurence Kate s whole understanding of herself is thrown into question as he calmly tells her that a strange man came to his office claiming to be Kate s father and it s quite possible that she is not a Fansler after all There are even more dangerous curves in the road for Kate Fansler especially after she meets the man who calls himself her father When more life threatening secrets and lies emerge Kate and the Fansler family are suddenly pitched perilously close to the edge of doom Education at the Edge of Experience Marla Morris,2024-06-03 Presenting a unique exploration of education at the edge of experience this book investigates how unassimilable concepts can reconceptualize education in order to grapple with what is beyond understanding Working at the intersection of curriculum theory philosophy and psychoanalysis Morris examines how each of these unassimilable concepts such as lament disavowal breathlessness and the Kafkaesque point toward currere as the edge of experience It addresses what Lee Braver calls the groundless grounds and what Avital Ronell calls the quicksand that is philosophy to approach slippage and breaking points through an interdisciplinary lens Pointing to an understanding of our largely social ills and extending William F Pinar s early work on currere in new and innovative directions this book will appeal to curriculum theorists education philosophers psychoanalysts and those with interests in the philosophy and theory of education **Proceedings of Third International Conference on Communication, Computing and Electronics Systems** V. Bindhu,João Manuel R. S. Tavares,Ke-Lin Du,2022-03-19 This book includes high quality research papers

presented at the International Conference on Communication Computing and Electronics Systems 2021 held at the PPG Institute of Technology Coimbatore India on 28 29 October 2021 The volume focuses mainly on the research trends in cloud computing mobile computing artificial intelligence and advanced electronics systems The topics covered are automation VLSI embedded systems optical communication RF communication microwave engineering artificial intelligence deep learning pattern recognition communication networks Internet of Things cyber physical systems and healthcare informatics
