context is certain to open novel avenues of research *Edge of Eternity* Randy Alcorn, 2009-02-04 Imagine Being Pulled Into the Hereafter While You're Still Alive A disillusioned business executive whose life has hit a dead end Nick Seagrave has lost loved ones to tragedy and his family to neglect Now at a point of great crisis he unbelievably and inexplicably finds himself transported to what appears to be another world Suddenly he's confronted with profoundly clear views of his own past and personality At the same time he's enabled to see hear taste and smell the realities of both heaven and hell realities that force him to face dangers and trials far greater than any he's known before Pitted against flying beasts a monstrous web that threatens to hold him captive an evil brooding intelligence and undeniable evidence of a spiritual world Nick must finally consider the God he claims not to believe in Walking between two worlds Nick Seagrave prepares to make decisions that will change his life forever as he stands on the Edge of Eternity **Edge of the Moon** Rebecca York, 2003 When a rash of mysterious disappearances hits close to home Kathryn Reynolds joins forces with Detective Jack Thornton to find her best friend an investigation that plunges them into a deadly game of murder and evil where a faceless enemy prepares to destroy them Original **The Edge of the Circle** David Miner, 2018-12-17 Everyone feels different growing up but not everyone knows where they fit in at school especially if your family has magical abilities you're fourteen with a twin sister you're learning your skills and you're attending a school for regular humans Pardaris Ravenstorme seventh son of Wyngarde Ravenstorme has enough trouble getting through a boarding school with his twin sister Persephone living with three other roommates at Squires Knoll Academy while trying to keep his abilities hidden from his friends But sometimes circumstances don't allow some things to be hidden as faeries inhabit the school and the nearby town of Aldsley What happens when the past is ignored and secrets are exposed What happens when magic returns to a world of science The School News and Practical Educator, 1925 The Edge of the Plain: How Borders Make and Break Our World James Crawford, 2023-01-10 A wide ranging journey through the history of borders and an exploration of their role in shaping our world today Since the earliest known marker denoting the edge of one land and the beginning of the next a stone column inscribed with Sumerian cuneiform borders have been imagined mapped moved and fought over In *The Edge of the Plain* James Crawford skillfully blends history travel writing and reportage to trace these borderlines throughout history and across the globe What happens on the ground when we impose lines on a map that contradict how humans have always lived and moved Crawford confronts that question from bloody territorial disputes in Mesopotamia to the S'pmi lands of Scandinavia the shifting boundaries of the Israel Palestine conflict efforts to build a wall on the United States Mexico border and the dangerous border crossings pursued by migrants into Europe And yet the role of borders extends beyond specific sites of conflict On the largest scale borders define the limits of empire the two walls in Britain that once represented the northwestern edge of the Roman Empire the mythological eastern gate supposedly closed off by Alexander the Great China's virtual Great Firewall On the smallest human scale cell walls are the last physical barrier against disease after lines of quarantine have failed Finally as

The Edge of the Plain reveals humans have not only made their mark on the landscape the landscape itself is now changing more and more rapidly due to climate change Crawford introduces us to both the Alpine watershed one such shifting natural borderline and the Great Green Wall in Africa envisioned as an international community built bulwark against desertification Borders are as old as human civilization and focal points for today's colliding forces of nationalism climate change globalization and mass migration The Edge of the Plain illuminates these lines of separation past and present how we define them and how they define us
