*Editing the News* Roy H. Copperud, Roy Paul Nelson, 1983      **News Editing** Bruce H. Westley, 1972      **News Reporting And Editing** K.M. Shrivastava (rev. Edn.),      **Modern Newspaper Editing** Gene Gilmore, 1983      *Editing the Day's News* George C. Bastian, 1923      *Practical Exercises in News Writing and Editing* Douglass Wood Miller, 1923

**Editing and News Design** Rob Layton, 2010-10-05 This guide to publication design editing and production is a unique blend of academic text and industry practice A clearly written and comprehensive authority that explains the processes of news publishing It provides step by step instruction from page set up and layout to sourcing and editing content to publishing a professional product      *News Talk* Colleen Cotter, 2010-02-11 Written by a former news reporter and editor *News Talk* gives us an insider's view of the media showing how journalists select and construct their news stories Colleen Cotter goes behind the scenes revealing how language is chosen and shaped by news staff into the stories we read and hear Tracing news stories from start to finish she shows how the actions of journalists and editors and the limitations of news writing formulas may distort a story that was prepared with the most determined effort to be fair and accurate Using insights from both linguistics and journalism *News Talk* is a remarkable picture of a hidden world and its working practices on both sides of the Atlantic It will interest those involved in language study media and communication studies and those who want to understand how media shape our language and our view of the world      Editing Mr. Rohit Manglik, 2023-04-23 Focus on refining written or audio visual content for accuracy and clarity      **Editing the Day's News** George C. Bastian, 1924      *Editing the Day's News* George C. Bastian, Leland Davidson Case, 1950      Modern News Editing Mark D. Ludwig, Gene Gilmore, 2005-08-08 The last decade has seen significant shifts in the roles of editors in the newsroom Pagination has moved page composition from the backshop into the newsroom placing additional responsibilities on copy and design editors Newsrooms have become more collaborative with emphasis on cooperation between various departments and between copy editors and assigning editors The biggest change is the growth of the Internet as a medium for news delivery Most newspapers have accompanying Web sites where breaking news can be posted for audiences long before the next print edition goes to press In a sense it's a return to the days when newspapers published multiple editions throughout the day only now it's done online In *Modern News Editing* authors Ludwig and Gilmore have creatively reworked Gilmore's classic textbook to fully integrate editing for online publication and editing for print Whether the medium is a print newspaper or an online news site the function of editors remains the same to guide a news story from its inception to its publication The fundamentals are still necessary Is it news How should it be approached How should it be presented Does the grammar pass muster Is style consistently followed Do headlines and photo captions capture reader interests What are the needs and desires of the audience Have the responsibilities of the news media to promote a free and self governing society been met The *Modern News Editing* CD ROM is packed with exercises to practice the concepts taught Microsoft Word files feature

editable sentences and stories containing problems with spelling grammar style and incorrect facts Also included are photographs in JPEG format for import into photo editing and or page layout programs to practice cropping and sizing and for use in page design Sample pages and page templates in Quark Xpress Adobe InDesign and Adobe PageMaker are presented for use in page design exercises Modern News Editing is the textbook of choice to train future editors whether they work for a print newsroom or an online publication Editing for Today's Newsroom Carl Sessions Stepp,2008-06-30 Editing for Today s Newsroom provides training support and advice for prospective news editors Through history analyses and anecdotes this book offers a solid grounding to prepare potential editors for the full range of their responsibilities in today s newsrooms developing ideas evaluating and editing copy working with writers determining what is news understanding presentation and design directing news coverage managing people making decisions under pressure and coping with a variety of ethical legal and professional considerations all while operating in today s multimedia multiplatform news arena Author Carl Sessions Stepp focuses on editors as newsroom decision makers and quality controllers accordingly the book features strategies and techniques for coping with a broad spectrum of editing duties Covering basic and advanced copyediting skills it also provides intellectual context to the editor s role critically examining the history of editing and the changing job of the contemporary editor *International News in the Digital Age* Judith Clarke,Michael Bromley,2012-01-25 The new research presented in this volume suggests that general perceptions cultural psychological geographical allied to the customs and values of journalism and underpinned by the uses of technology significantly shape international news This gives rise to a blend of the old and the new traditions of cultural centredness and innovative practices anchorages of place and the rootlessness of globalization Technology per se has not swept all before it On the other hand its uses have altered the means and methods of international news sourcing construction and dissemination Consequently the uptake of technology has contributed to fundamental changes in style and form and has greatly facilitated cross cultural exchanges The category international news is now more of a hybrid as recognized by the BBC and others The chapters in this book demonstrate that this hybridity is unevenly distributed across geo political domains and often across time Nevertheless as the contributors to this volume show the concept of international news relies on tightly interwoven elements of orthodox journalism social media civic expression and public assembly **Electronic Age News Editing** Harry W. Stonecipher,Edward C. Nicholls,Douglas A. Anderson,1981 The author stresses that although computerization streamlines and facilitates the news gathering process editors must be even more exacting and visually aware than before to ensure a quality result *Journalism, Reporting, Writing and Editing* Rowan Kidd,2018-01-25 The present book has been brought into being in view of incessant demand pertaining to the subject Journalism inherently requires that stories be told in depth Many newspapers have cut out long articles even before the Internet They have followed the example set by television news They have been hit by the rising price of newsprint and the renewed emphasis on cost cutting They are convinced that readers are pressed for time impatient

with detail and conditioned to ingest the news in pellet like form The bulk of broadcast news is reporting in the sense that is used is different rather than journalism It is epitomized by the two minute wire service radio bulletin on the hour already a fast disappearing format In this incisive and well presented work the book has synthesized the findings to lay down principles of sound journalism for both those in the industry and the citizens who rely on the free press as a fundamental element of democracy First and foremost among these principles is journalism s obligation to the truth It will immensely benefit students teachers mass communicators theoreticians and practitioners alike Something usable today a ready reckoner for years to come and a collector s item for all times A must read enduring and preservable News Editing and Display
