No Kids Allowed Michelle Ann Abate, 2020-10-13 Children s literature isn t just for children anymore This original study explores the varied forms and roles of children s literature when it s written for adults What do Adam Mansbach s Go the F k to Sleep and Barbara Park s MA There s Nothing to Do Here have in common These large format picture books are decidedly intended for parents rather than children In No Kids Allowed Michelle Ann Abate examines a constellation of books that form a paradoxical new genre children s literature for adults Distinguishing these books from YA and middle grade fiction that appeals to adult readers Abate argues that there is something unique about this phenomenon Principally defined by its form and audience children s literature Abate demonstrates engages with more than mere nostalgia when recast for grown up readers Abate examines how board books coloring books bedtime stories and series detective fiction written and published specifically for adults question the boundaries of genre and challenge the assumption that adulthood and childhood are mutually exclusive

Creating Canada's Peacekeeping Past Colin McCullough, 2016-07-28 Peacekeeping Despite efforts to relegate it to the past what was once a central pillar in Canada s national identity has been making a comeback in recent years Creating Canada s Peacekeeping Past illuminates how participation in the United Nations peacekeeping efforts from 1956 to 1997 became central to national self identification in both English and French Canada Delving into four decades worth of political rhetoric newspaper coverage textbooks and more Colin McCullough outlines continuity and change in the production and reception of messages about peacekeeping He demonstrates that those who produced messages about peacekeeping often overlooked the particularities of individual missions preferring to link their cultural products to political discourses about national identity Engaging in debates about Canada s international standing as well as its broader national character this book is a welcome

Popeye Fred M. Grandinetti, 2004-08-12 It's a rare comic character who can make audiences laugh for well over half a century but then again it's a pretty rare cartoon hero who can boast of forearms thicker than his waist who can down a can of spinach in a single gulp or who generally faces the world with one eye squinted completely shut When E C Segar's gruff but lovable sailor man first tooted his pipe to the public on January 7 1929 it was not in the animated cartoon format for which he is best known today and which would become the longest running series in film history Instead it was on the comics page of the New York Journal as Segar's Thimble Theatre strip Over the decades to come Popeye was to appear on radio television stage and even in a live action feature film This comprehensive and lavishly illustrated history is a thoroughly updated and revised edition of the highly acclaimed 1994 work Animated series and films are examined noting the different directions each studio took and the changing character designs of the Popeye family Popeye in other media comics books radio and a stage play is thoroughly covered as are Robert Altman's 1980 live action film and Popeye memorabilia

The Content of Our Caricature Rebecca Wanzo, 2020-04-21 Winner 2021 Katherine Singer Kovacs Book Award given by the Society for Cinema and Media Studies Winner 2021 Will Eisner Comic Industry Awards for Best Academic Scholarly Work Honorable Mention 2021 Harry Shaw and Katrina Hazzard Donald Award for Outstanding Work in African American Popular Culture Studies given by the Popular Culture Association Winner 2020 Charles Hatfield Book Prize given by the Comic Studies Society Traces the history of racial caricature and the

ways that Black cartoonists have turned this visual grammar on its head Revealing the long aesthetic tradition of African American cartoonists who have made use of racist caricature as a black diasporic art practice Rebecca Wanzo demonstrates how these artists have resisted histories of visual imperialism and their legacies Moving beyond binaries of positive and negative representation many black cartoonists have used caricatures to criticize constructions of ideal citizenship in the United States as well as the alienation of African Americans from such imaginaries The Content of Our Caricature urges readers to recognize how the wide circulation of comic and cartoon art contributes to a common language of both national belonging and exclusion in the United States Historically white artists have rendered white caricatures as virtuous representations of American identity while their caricatures of African Americans are excluded from these kinds of idealized discourses Employing a rich illustration program of color and black and white reproductions Wanzo explores the works of artists such as Sam Milai Larry Fuller Richard Grass Green Brumsic Brandon Jr Jennifer Crut Aaron McGruder Kyle Baker Ollie Harrington and George Herriman all of whom negotiate and navigate this troublesome history of caricature The Content of Our Caricature arrives at a gateway to understanding how a visual grammar of citizenship and hence American identity itself has been constructed
