*Iroquois Land Claims* Christopher Vecsey, William A. Starna, 1988-05-01 The landmark Oneida Supreme Court decisions of 1974 and 1985 testify to the fact that the Iroquois day in court has finally arrived Although Indian petitions to regain their shrinking land base have generally caught the non Indian public by surprise land rights have been an issue for the Iroquois for the past two hundred years This book provides a balanced appraisal of the land claims made by several of the Iroquois tribes By drawing upon the viewpoints of those who have a direct stake in the land claims outcome Iroquois attorneys representing or defending against the claims expert witnesses and those who have extensive knowledge of the controversy this book reveals the complexity of the issues While there is no easy way to resolve these claims the uniquely qualified contributors stress that a negotiated settlement is preferable to a litigated one The fact that these cases have had to be brought to court even to the Supreme Court is evidence of the seriousness of the issues involved This timely book strikes a balance among the various parties to the land disputes proving an invaluable resource to academics students legal professionals policymakers and the public at large

The Best Land Susan A. Brewer,2024-10-15 In Susan A Brewer s fascinating *The Best Land* she recounts the story of the parcel of central New York land on which she grew up Brewer and her family had worked and lived on this land for generations when the Oneida Indians claimed that it rightfully belonged to them Why she wondered did she not know what had happened to this place her grandfather called the best land Here she tells its story tracing over the past four hundred years the two families her own European settler family and the Oneida Mohawk family of Polly Denny who called the best land home Situated on the passageway to the west the ancestral land of the Oneidas was coveted by European colonizers and the founders of the Empire State The Brewer and Denny families took part in imperial wars the American Revolution broken treaties the building of the Erie Canal Native removal the rise and decline of family farms bitter land claims controversies and the revival of the Oneida Indian Nation As Brewer makes clear in *The Best Land* through centuries of violence bravery greed generosity racism and love the lives of the Brewer and Denny families were profoundly intertwined The story of this homeland she discovers unsettles the history she thought she knew With clear determination to tell history as it was without sugarcoating or ignoring the pain and suffering of both families Brewer navigates the interconnected stories with grace humility and a deep love for the land *The Best Land* is a beautiful homage to the people the place and the environment itself

*Indian Land Claims in the Town of Gay Head, MA* United States. Congress. Senate. Select Committee on Indian Affairs,1986

**The Oneida Indian Experience** Jack Campisi,Laurence M. Hauptman,1988-10-01 Contemporary scholarship and oral tradition come together in this unique account of the history and culture of the Oneida Iroquois particularly the Wisconsin Oneidas who have not been the subject of the intense scholarly attention accorded other Iroquois groups Contributors include Oneida educators community leaders historians anthropologists and linguists essays vary from accounts of personal experience and oral history to presentations of academic research The common denominator is the Oneida experience of cultural change and survival Part I focuses on the history and adaptations of the Oneidas in their New York homeland Part II describes the motives and methods used by New York State officials in divesting the Oneidas of their New York home and explores the aftereffects of the Indians removal to Wisconsin and the legal implications of allotment legislation on American Indians tribal jurisdiction today Nineteenth century

attempts by whites to take the Oneidas Wisconsin land base forced the Indians to develop strategies for survival described in Part III Capable leadership the maintenance of tribal tradition cultural revitalization new educational initiatives and continuing connections among the Oneida communities have fostered a tribal reemergence and have allowed the Oneidas to maintain themselves as a unique and thriving people

Klein,1998      **Tribal Sovereign Immunity** United States. Congress. Senate. Committee on Indian Affairs (1993- ),1997      **Renegotiation of Seneca Nation Leases** United States. Congress. Senate. Select Committee on Indian Affairs,1991      **Pricing the Land** Scott W. Anderson,2024-07-15 Pricing the Land reconstructs the complicated history of buying and selling land along the New York frontier after the American Revolution Scott W Anderson focuses on the prices bid for lots in central New York that had been set aside for veterans of the war the New Military Tract and within the Cayuga Reservation created by treaty in 1789 comprising a hundred square miles of land on both shores of the northern end of Cayuga Lake He considers several factors that affected the value of this land the scarcity of money in early America the role that Alexander Hamilton's assumption policy played in encouraging debt speculation the sale of huge tracts by New York and Massachusetts to investment syndicates and the struggles of settlers across the New York frontier to escape debt bondage and poverty Anderson who served as an expert witness in the Cayuga Land Claim trials of 1999 to 2001 that awarded the Cayuga Nation 247.9 million in compensation and damages a judgment overturned in 2005 developed new methodological tools for determining a better estimate of the value of this land In Pricing the Land he concludes that the only accurate measure of worth lay in the settlers ability to pay their rents or debts which was only possible once the Market Revolution reached central New York As a result of his historical recovery Anderson finds that the Cayuga Nation might have been entitled to twice the amount they were awarded in their lawsuit

**Conflict in Caledonia** Laura DeVries,2011-11-07 On 28 February 2006 the Six Nations of the Grand River blocked workers from entering a half built housing development in southern Ontario They renamed the land Kanohstaton the protected place The protest drew national and international attention to the issue of Aboriginal land rights and sparked a series of ongoing events known as the Caledonia Crisis Laura DeVries powerful account of the dispute links the actions of police governmental officials and locals to entrenched non Aboriginal discourses about law landscape and identity It encourages non Aboriginal Canadians to reconsider their assumptions to view facts such as the rule of law as culturally specific notions that prevent truly equitable dialogue DeVries not only reveals the conflicting visions of justice held by various parties to the dispute she also seeks out possible solutions in alternative conceptualizations of sovereignty over land and law embedded in the Constitution

**Native American Political Systems and the Evolution of Democracy** Bruce E. Johansen,1996-05-14 For more than a decade scholars have debated the question of whether American Indian confederacies primarily the Iroquois helped influence the formation of U S basic law The idea has sparked

lively debate in the public arena as well with Canadian diplomat Durling Voyce Jones contending it shows a paradigm shift in our thinking Patrick Buchanan calling it idiocy and George Will saying it is fiction For the first time this bibliography brings together some 450 citations on the debate The work describes the debate in the words of one of its major participants Bruce E Johansen author of three other books on the subject The bibliography also takes the reader back to suggestions of the idea long before the contemporary debate Lakota author Charles Eastman brought up the subject in 1919 Mohawk teacher Ray Fadden developed it in the 1940s and John F Kennedy touched on it in 1960 Bringing the debate to its full flower in the present day the bibliography illustrates both fervent support and equally emphatic denial in the academy and the public press The book is both a scholarly tool and a lively exploration of issues bearing on the study of history and multiculturalism

*Publishers' Weekly*, 1904      Sovereignty, Colonialism and the Indigenous Nations Robert Odawi Porter, 2005 This book is an extensive compilation of readings focused on the meaning of sovereignty and self determination in relation to Indigenous nations and peoples in the United States The overall purpose of the book is to afford readers the opportunity to study and analyze the interplay of legal political economic and cultural factors that contribute to the debate surrounding the status of Indigenous nations and peoples within American society The book is divided into three parts with each part prefaced by a set of questions for the reader to consider The first part explores the meaning of Indigenous nation sovereignty from three different perspectives the Indigenous nations and peoples the colonizing peoples and the international community The second part then addresses the different ways in which this sovereignty is threatened The last part of the book explores the variety of approaches by which Indigenous nation sovereignty may be preserved and strengthened in the future The readings included are extraordinarily broad in scope and are designed to promote vigorous student inquiry and discussion In addition to including a wide variety of authors the works include speeches testimony policy statements law cases statutes articles book chapters and newspaper stories The materials are extensively edited with few footnotes and citations so as to focus the reader on important concepts and to facilitate overall understanding The book is intended for use in both law school and non law school courses relating to law and policy dealing with Indigenous nations and peoples American history and international law and policy governing minorities and Indigenous peoples The book is also designed for use in undergraduate courses and seminars      *Testimony of public witnesses for Indian programs* United States.
