Edmund Wilson A Biography:

Edmund Wilson Lewis M. Dabney, 2005 From the Jazz Age through the McCarthy era Edmund Wilson 1895 1972 stood at the center of the American cultural scene In this biography Dabney shows why Wilson was and has remained a model for young writers and intellectuals as well as the favorite critic of the general reader *Edmund Wilson* Lewis M. Dabney, 1997 Edmund Wilson who helped shape American literary culture from the early 1920s through the mid 60s is still a presence a century after his birth This vibrant collection emerges from symposiums in Wilson s centenary year 1995 at the Mercantile Library in New York and at Princeton University Assembled and edited by Lewis Dabney the book shows the intellectual voices of a younger generation interacting with veterans who knew Wilson and his times *Edmund Wilson* Jeffrey Meyers, 2003-09-02 This comprehensive biography of prolific critic essayist historian and novelist Edmund Wilson 1895 1972 posits quite successfully that the subject lived a life as romantic and chaotic as his friend F Scott Fitzgerald s Wilson suffered a nervous breakdown and the tragic death of his second wife he was married four times among them Mary McCarthy had affairs with numerous beautiful women including Edna St Vincent Millay and was friend to literary giants such as John Dos Passos Vladimir Nabakov and W H Auden Edmund Wilson, the Man in Letters Edmund Wilson, 2001 Here for the first time in print is Wilson s personal correspondence to his parents lovers and wives children literary comrades and friends from the different corners of his life Various writers and thinkers including Lionel Trilling Cyril Connolly and Isaiah Berlin take their places alongside upstate New York neighbors in this gallery of letters that extends from the teens to the early 1970s These letters complete the picture of Wilson the man offering unguarded moments and flinty opinions that enrich our understanding of a complex and troubled personality Four times married and many times in love traveling through Depression America the USSR postwar Europe the Middle East and Haiti and writing on a Balzacian scale Wilson as a correspondent reveals the exhilaration and chaos of being himself **Edmund Wilson** David Castronovo, 1994-08-01

The Edmund Wilson Reader Edmund Wilson, 1997-08-21 A gifted novelist poet playwright and historian Edmund Wilson 1895 1972 served on the staffs of Vanity Fair The New Republic and The New Yorker but is best known for the grace and insight of his literary criticism Here in one volume is a representative selection from Wilson s diverse oeuvre that offers readers the opportunity to partake of an incomparable intellectual feast *Edmund Wilson's America* George H. Douglas, 2021-11-21 When Edmund Wilson died in 1972 he was widely acclaimed as one of America s great literary critics But it was often forgotten by many of his admirers that he was also a brilliant and penetrating critic of American life In a literary career spanning half a century Wilson commented on nearly every aspect of the American experience and he

produced a body of work on the subject that rivals those of Tocqueville and Henry Adams In this book George H Douglas has distilled the essence from Wilson s many writings on America An active reporter and journalist as much as a scholar Wilson ranged from Harding to Nixon from bathtub gin to marijuana Douglas here surveys Wilson s mordant observations on the roaring twenties the Great Depression income tax suburbia sex populist politics the Vietnam War the Great Society the failure of American scholarship pollution of the landscape and the breakdown of traditional American values The Wilson who emerges from this survey is a historical writer with deep and unshakable roots in Jeffersonian democracy Among his most far seeing and poignant books are studies of the literature of the American Civil War and of the treatment of the American Indian Pained by the crumbling moral order Wilson was never completely at home in the twentieth century In politics he was neither a liberal nor a conservative as those terms are understood today He endured those ideologies and their adherents but his genius was that he could bring them into hard focus from the perspective of the traditional American individualist who was too pained to accept the standardized commercial world that had grown up around him Edmund Wilson s America offers a distinctive overview of the nation s life and culture as seen and judged by its leading man of letters EDMUND WILSON. Sherman Paul,1967 The Forties Edmund Wilson,2019-11-19 From one of the greatest literary critics of the twentieth century this installment of Edmund Wilson s private notebooks covers the years of the 1940s providing a rich lens into the writer s life and the world at large Wilson turned forty five in 1940 and this volume The Forties From Notebooks Diaries of the Period shows the extent to which he was reappraising his life in the decade to follow saying goodbye to the drifting of the 1920s and the Marxism of the 1930s Published posthumously and edited by Leon Edel The Forties includes observations on his increasingly complicated family matters and covers appreciatively writers like Andre Malraux W H Auden and Max Beerbohm as well as entries from his research and travels We can see the beginnings of the masterly work of Wilson s later years the studies of the American literary and mythic past on which his reputation will surely rest Jonathan Yardley The Washington Post on The Forties Critic in Love David Castronovo,Janet Groth,2005-11-15 Edmund Wilson 20th century America s most direct and readable critic of literature and society was a man of many loves In his half century as a major force in American letters he had an outsize romantic career that reflected the complex depths of his personality Each woman whom he came to love was an alluring interpretative problem an erotic and analytic challenge a presence that fired his imagination They came from the Greenwich Village of the 1920s from his own upper middle class world of privilege from New York s working class from the high reaches of literary New York as well as from the workaday world of Talcottville in upper New York State Who were they Poet Edna St Vincent Millay actress Mary Blair friends and drinking buddies Dorothy Parker Louise Bogan Dawn Powell and Elinor Wylie poet Leonie Adams writer and intellectual Mary McCarthy Mamaine Paget later the wife of Arthur Koestler and screenwriter and journalist Penelope Gilliatt were the best known They appear here as personalities in their own right as well as in the roles they play in Wilson s biography His Rabelaisian appetites

ardors and vulnerabilities and conceptions of love and sex are a story in themselves **Edmund Wilson** Richard Hauer Costa,1980-11-01 For the eminent American literary critic Edmund Wilson Upstate New York was home Richard Hauer Costa's biography of Wilson's final years from 1962 to 1972 in Talcottville NY combines the literary the political and the domestic in an engaging portrait of Wilson as squierarchical Dickensian benevolent Costa shows us a very personal accessible man as he tells us about Wilson's opinions literary and otherwise his likes and dislikes his almost spiritual link to Talcottville his failing health in his final years his habits moviegoing and idiosyncracies sneakers What emerges is a profile of Wilson not at all like the stern figure of academic biography Also included are interviews Costa conducted after Wilson's death with noted Upstate novelist Walter D Edmonds Canadian writer Morley Callaghan and Wilson's Upstate friend Mary Pcolar **Piece of My Mind** Edmund Wilson,1999-12 From the author of *To the Finland Station* comes a deeply personal and incisive memoir A Piece of My Mind Edmund Wilson often considered to be the greatest American literary critic of the twentieth century reflects back on life in his sixth decade with this insightful intellectual autobiography that covers topics ranging from Religion War the USA Europe Russia Jews Education Science Sex and much more all examined with his characteristic wit and intelligence **Edmund Wilson** Warner Berthoff,1968-06 Edmund Wilson American Writers 67 was first published in 1968 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions **Edmund Wilson** Warner Berthoff,1970 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible to scholars students researchers and general readers Rich with historical and cultural value these works are published unaltered from the original University of Minnesota Press editions The books offered through Minnesota Archive Editions are produced in limited quantities according to customer demand and are available through select distribution partners *To the Finland Station* Edmund Wilson,2019-11-12 One of the great works of modern historical writing the classic account of the ideas people and politics that led to the Bolshevik Revolution Edmund Wilson's *To the Finland Station* is intellectual history on a grand scale full of romance idealism intrigue and conspiracy that traces the revolutionary ideas that shaped the modern world from the French Revolution up through Lenin's arrival at Finland Station in St Petersburg in 1917 Fueled by Wilson's own passionate engagement with the ideas and politics at play it is a lively and vivid sweeping account of a singular idea that it is possible to construct a society based on justice equality and freedom gaining the power to change history Vico Michelet Bakunin and especially Marx along with scores of other anarchists socialists nihilists utopians and more all come to life in these pages And in Wilson's telling their stories and their ideas remain as alive as provocative as relevant now as they were in their own time *Israel and the Dead Sea Scrolls* Edmund Wilson,2019-11-05 The author of *To the Finland Station* and *Axel's Castle* brilliantly examines the significance of the scrolls discovery and their role in Jewish history with this insightful biblical study *Israel and the Dead Sea Scrolls* Reading him it is not difficult to imagine the ardor with which Edmund Wilson

pursued his complex subject it was the kind of subject he had always liked best involving as it did history politics ancient lore and all his faculties for imaginative reconstruction and historical analysis No book quite like this has been written in our century Leon Edel from the introduction **Edmund Wilson; a Bibliography** Richard David Ramsey, 1971
