Education In Canada:

Education in Canada Paula Dunning, Canadian Education Association, 1997 Presents an overview of the Canadian educational system s current status its governance and funding structures its program offerings and major trends divided into three main areas elementary and secondary post secondary and adult education Physical and Health Education in Canada Barrett, Joe, Scaini, Carol, 2019 Physical and Health Education in Canada Integrated Strategies for Elementary Teachers is a compendium of integrated evidence based approaches to physical and health education teaching from leading physical and health educators and researchers from across Canada **Science Education in Canada** Christine D. Tippet, Todd M. Milford, 2019-07-01 This book offers a meso level description of demographics science education and science teacher education Representing all 13 Canadian jurisdictions the book provides local insights that serve as the basis for exploring the Canadian system as a whole and function as a common starting point from which to identify causal relationships that may be associated with Canada s successes The book highlights commonalities consistencies and distinctions across the provinces and territories in a thematic analysis of the 13 jurisdiction specific chapters Although the analysis indicates a network of policy and practice issues warranting further consideration the diverse nature of Canadian science education makes simple identification of causal relationships elusive Canada has a reputation for strong science achievement However there is currently limited literature on science education in Canada at the general level or in specific areas such as Canadian science curriculum or science teacher education This book fills that gap by presenting a thorough description of science education at the provincial territorial level as well as a more holistic description of pressing issues for Canadian science education *Higher Education in Canada* Glen A. Jones, 2012-06-25 Published in 1997 People wishing to learn the major phases in the development of Canada s twelve postsecondary higher education systems over the 1945 95 period will find this an essential starting point *A Bibliography of Higher Education in Canada Supplement 1981 / Bibliographie de l'enseignement supérieur au Canada Supplément 1981* Robin S. Harris, Marcel de Grandpre, Hazel Roberts, Hugh Smith, 1981-12-15 The 1981 Supplement adds more than 3000 entries to the approximately 10 500 listed in the original volume and in the 1965 and 1971 Supplements Like its predecessors this volume provides a full list of the secondary sources related to Canadian higher education books articles theses dissertations and reports published from 1971 to 1980 The reporting arrangement of entries and overall organization of the material remains the same as in the 1971 Supplement *A History of Early Childhood Education in Canada, Australia, and New Zealand* Larry Prochner, 2010-01-01 In the early nineteenth century governments introduced kindergartens and infant schools to give children a head start in life These programs hinged on new visions of childhood that originated in England and Europe but what happened when they were exported to the colonies This book unwinds the tangled threads of this history from early infant schools in England to three Commonwealth countries Canada Australia and New Zealand where systems of educating young children were transplanted

but adapted to suit local ideas politics and populations This unique comparative approach to the history of early childhood education provides fresh insight into how to reconcile educational theory and practice in an increasingly global world

Documentary History of Education in Upper Canada, from the Passing of the Constitutional Act of 1791 to the Close of Dr. Ryerson's Administration of the Education Department in 1876: 1860 John George Hodgins, 1906

Teacher Education in Canada Robert Kirby Crocker, David C. Dibbon, 2008-01-01 Decolonizing and Indigenizing Education in Canada Dr. Sheila Cote-Meek, Dr. Taima Moeke-Pickering, 2020-06-01 Decolonizing and Indigenizing Education in Canada thinks boldly about how to make space for Indigenous knowledges and have an honest discourse on truth and reconciliation By engaging with Indigenous epistemologies and strategies the contributors navigate the complexities of the decolonization and indigenization of post secondary institutions What is needed in this field is less theorizing and more action the contributors offer practical steps on how one might positively transform the Canadian academy Through this lens of action based solutions each of the fifteen chapters advances critical scholarship on issues of pedagogy curriculum shifting power dynamics and challenging Eurocentric perspectives in higher education With contributions from both Indigenous and non Indigenous academics from across Canada and in varying academic positions Decolonizing and Indigenizing Education in Canada provides a unique perspective specific to the Canadian education system Featuring discussion questions further reading lists and practical examples of how to engage in decolonization work within the academy this text is an essential resource for students and scholars studying Indigenous knowledges education and pedagogies and curriculum studies

International Education as Public Policy in Canada Merli Tamtik, Roopa Desai Trilokekar, Glen A. Jones, 2020-10-07 In the early twenty first century international education emerged as an almost ubiquitous concept within discussions of educational curriculum the objectives of schools universities and colleges and government policies for K 12 and higher education Although far from a new phenomenon many jurisdictions now view international education as a highly competitive global industry This book provides a comprehensive analysis of international education policy in Canada tracing the complex history of when how and why it emerged as a policy area of strategic importance Illuminating a uniquely Canadian perspective influenced by regional interests and federal provincial tensions International Education as Public Policy in Canada addresses challenging questions Why was Canada a latecomer in addressing this policy issue What is the relationship between international education and Canadian immigration policy How did international education develop as a major Canadian industry The resulting essays from leading scholars contribute not only to the growing Canadian literature on international education policy but also to a critical global conversation Contemplating where the Canadian story of international education is headed International Education as Public Policy in Canada calls for a broader debate on ethical practices in internationalization focusing on inclusion equity compassion and reciprocity **Documentary History of Education in**

Upper Canada: 1843-1846 Ontario. Department of Education, 1897 **Social Justice Education in Canada** Ali A.

Abdi,2023-01-03 This engaging edited collection highlights key discussions around educational inequity and related structures and sub structures Featuring a diverse array of contributors Social Justice Education in Canada balances important knowledge learning practices and possibilities emanating from and embedded in anti racist and anti oppressive education with instructive grounding examples The text confronts the idea of social justice as an abstract concept discussing suggestions for rethinking educational systems and making changes that will benefit the learning lives of all students With the aim to critically expand the emerging and increasingly active debates in this important area of educational and social development this volume strives to collectively deepen our understanding and appreciation for critical social justice education Organized into 14 chapters and featuring an epilogue written by Dr Edward Shizha the book critically deals with contemporary topical issues in education including readings on cultural racial religious Indigenous language socio economic citizenship disability ableism and immigrant refugee status realities and their interwoven learning and teaching intersections This text is an essential resource for undergraduate and graduate students of education across Canada FEATURES Designed to spark discussions and debates each chapter closes with discussion questions to encourage critical reflection Contributors move beyond the theoretical with actionable practical applications for critical social justice that can be utilized by educators and teacher educators Intersecting topical diversity is at the forefront of this volume which features contributors from different backgrounds and communities critically engaging with issues pertinent to social justice and equity in education

Early Childhood Care and Education in Canada Larry Prochner,2011-11-01 Larry Prochner and Nina Howe reflect the variation within the field by bringing together a multidisciplinary group of experts to address key issues in the field What programs are currently available and what are their origins How are adults prepared for work in these programs How do children within the programs spend their day What policies guide the programs How has the field reflected on itself through research There are no simple answers but the essays in this collection contribute to a creative reframing of the questions The authors include psychologists sociologists historians teacher educators and social policy analysts The Journal of Education for Upper Canada ,1852 **Christian Higher Education in Canada** Stanley E. Porter,Bruce G.

Fawcett,2020-11-17 The Toronto 2018 Symposium on Christian Higher Education provided an opportunity for leaders in the Canadian Christian higher education movement to reflect deeply on its development current reality and future possibilities The Canadian Christian higher education scene comprises a wide range of institutions including Christian universities Bible colleges and seminaries and graduate schools Each type has its own distinctive history and likewise represents both challenges and opportunities Even though they are intertwined in their common purpose these higher educational institutions express this purpose in various ways This volume is a collection of the papers and plenary talks designed to share the content of the symposium with a wider audience The papers are all written by active scholars and researchers who are connected to the member institutions of Christian Higher Education Canada CHEC They not only illustrate the quality of the

scholarship at these institutions but they make their own critical contribution to an ongoing discussion regarding the role and place of Christian higher education within the wider society This volume is intended to be helpful to students faculty staff board members and supporters of Canadian and other Christian higher education institutions as well as interested individuals and scholars

European Perspectives on Inclusive Education in Canada Theodore Michael Christou,Robert Kruschel,Ian Alexander Matheson,Kerstin Merz-Atalik,2022-06-19 Featuring leading voices in the field from across Canada and Europe this edited collection offers empirical analyses of the historical social cultural and legislative determinants of inclusive education in Canadian schools Covering four thematic areas including the structure culture and practices of inclusive education the volume offers comparative insights from a European perspective engaging critically with widely held views of Canada as a world leader in inclusive education Providing rich comparisons with educational systems in Germany Spain and Finland chapters explore in depth the assessment structures and curricula specific to Canada as well as educational policy and explore attitudes and practices in relation to diverse student populations including refugee and indigenous peoples and students with special educational needs This volume will benefit researchers academics and educators with an interest in multicultural education international and comparative education as well as educational policy more specifically Those involved with inclusion and special educational needs will also benefit from this volume

The Development of Education in Canada Charles Edward Phillips,1957 **A Bibliography of Higher Education in Canada Supplement 1971 / Bibliographie de l'enseignement superieur au Canada Supplement 1971** Robin S.

Harris,1971-12-15 The 1971 Supplement adds some 3 500 entries to the approximately 7 000 listed in the original volume and the 1965 Supplement Like its predecessors this volume provides a full list of the secondary sources related to Canadian higher education books articles theses dissertations and reports published from 1964 to 1969 The reporting and arrangement of entries remains the same in the Supplement but changes have been made in the overall organization of the material New divisions have been created more than a dozen sections have been subdivided and a substantial number of new sections have been added Studies in Higher Education 5

Access to Higher Education Graeme Atherton,2017-09-16 This book is the first systematic attempt to examine one of the biggest challenges facing universities and society in the 21st century how do we create opportunities to allow people from all social backgrounds to benefit from higher education It examines how policymakers higher education institutions and civil society organisations are meeting this challenge across the globe Each chapter focuses on one of 12 countries including the economically powerful US and Germany developing nations from Africa and South America and the new higher education superpowers of China and India Access to Higher Education shows that across these different nations inequalities in higher education participation are common but their nature differs It argues for a new nationhood based approach to understanding why these differences exist
