## Education Of Vision:

*Education of Vision* Gyorgy Kepes, 1965      *A Vision of Education* John Henry Burns, 1929      Educational Eye Exam Alicia Ray, 2019-08-15

It's time for a checkup. In the same way that a new pair of glasses can bring your world into focus, personal reflection brings clarity and provides direction. And both are essential to be effective in the classroom. In *Educational Eye Exam*, Alicia Ray uses a trip to the optometrist as a model for the journey to gaining clarity in your personal educational philosophy. This exam will help you clarify how your past affects your present. What needs to change in your teaching practice? Where to find help and support? How your educational philosophy impacts your students? If you're ready for a new perspective, don't wait. Open this book and start your *Educational Eye Exam* today. Alicia's words will inspire you to bring your best to work every day.

Jimmy Casas, educator, author, speaker, and leadership coach: This book is a gift to educators and will translate into meaningful and important changes in our practices.

Tara Martin, educator, keynote speaker, and author: *Vision of Education in India*

Muchkund Dubey, Susmita Mitra, 2020-11-01

The present volume seeks to review education in India through a matrix of nation-building, democratization, process, identity, power, social and economic divisions, and social hierarchies. The book revisits the vision of education of some of the great Indian philosophers and leaders, deconstructs some of the seminal documents on education in India, brings out the significant role played by the people's movement in shaping education, and analyses the trends and progress in the implementation of educational programmes and policies.
