Edvard Munch Harald Sohlberg

William R. Everdell

Edvard Munch Harald Sohlberg:

Edvard Munch, Harald Sohlberg Øivind Storm Bjerke, Edvard Munch, National Academy of Design (U.S.), 1995 Eng National academy of design 1995 266 s ill ISBN 1 887149 01 5 Denne boken ble utgitt samtidig med åpningen av en maleriutstilling av Edvard Munchs og Harald Solbergs bilder i National Academy of Design Munchs arbeider er velkjent men Solbergs arbeider har aldri tidligere vært vist utenfor Norge Derfor var det viktig presentere Solberg sammen Munch for det amerikanske publikum Boken gir derfor en fyldig presentasjon av Solbergs liv og arbeid Den presenterer også de to kunstneres holdning til norske kunstnerkretser for deretter vise samtlige av utstillingens bilder først i tekst og så i bilder Flotte farveillustrasjoner **Edvard Munch** Sue Prideaux, 2005-01-01 The biography of the artist who created the most haunting icon of the twentieth century **The Symbolist Prints of Edvard Munch** Vivian Campbell, Prelinger Elizabeth, Elizabeth Prelinger, Edvard Munch, Michael Taylor, Parke-Taylor Michael, Michael Parke-Taylor, Peter Schjeldahl, Art Gallery of Ontario, 1996-01-01 Illustrated with black and white and colored prints from Edvard Munch Original pictorial wrappers and color illustrated frontispiece Published alongside the exhibition of the same name This exhibition considers Munch's relevance to a modern world through three interpretive paths From the forward These paths are the technical methods Munch used as a Symbolist printmaker his reception and exhibitions in North America and Munch's influence in popular culture With several essays and a chronology **Edvard Munch** Louise Lippincott, 1989-03-23 The Norwegian artist Edvard Munch painted his *Starry Night* in 1893 and a century later it continues to intrigue and even mystify viewers The subject and emotional content of the painting are powerfully felt and yet difficult to define with precision and its style seems strangely far removed from the Impressionist and Realist paintings of the artist's contemporaries In her fascinating study Louise Lippincott explores the genesis of this great painting placing it in the context of Scandinavian art of the late nineteenth century and Munch's own development as an artist Her generously illustrated and detailed analysis provides a clear understanding of this haunting masterpiece which is one of the most popular paintings in the J Paul Getty Museum Harald Sohlberg Marianne Yvenes, 2018 Majestic and magical landscapes the soft beauty of fields of flowers the raw cold of winter the works of Harald Sohlberg combine a Romantic perception of nature with a contemporary pictorial language akin to Symbolism This volume assembles some 60 paintings in addition to a number of drawings prints and photographs by the artist and grants insight into his conceptual world through his correspondence In particular the mountain world surrounding Rondane National Park provided Harald Sohlberg 1869-1935 with inexhaustible inspiration for countless studies and watercolours which were later incorporated into his landscape pictures This volume places one of his most famous works *Winter Night in the Mountains* in a new context and casts light on less well known aspects of Sohlberg's oeuvre which also includes street scenes for example One characteristic of his works that is particularly attractive is the lack of people in them not least because their traces always appear present This reveals a critical attitude to the modern age and

at the same time allows the viewer to become immersed in his or her own stories Artist's Journey Travis Elborough, 2023-10-03 Follow in the footsteps of some of the world's most famous painters in this fascinating work from the Journeys of Note series Some truly remarkable works of art have been inspired by artists spending time away from their typical surroundings From epic road trips and arduous treks into remote territories to cultural tours and sojourns in the finest hotels this book explores 30 influential journeys taken by artistic greats and reveals the repercussions of those travels on the painters' personal lives and the broader cultural landscape Award-winning author Travis Elborough brings each of these trips to life with fascinating insights into the stories behind the creation of some of the world's most famous paintings including Henri Matisse's vivid paintings of Morocco Katsushika Hokusai's woodblock prints of Mount Fuji in Japan Marianne North's paintings of India and David Hockney's California pool paintings Edvard Munch Edvard Munch, Elizabeth Cross, 2004 Published on the occasion of the exhibition Edvard Munch The Frieze of Life National Gallery of Victoria Melbourne 13 October 2004 12 January 2005 Nordic Landscape Painting in the Nineteenth Century Torsten Gunnarsson, 1998-01-01 This study identifies and analyzes the different types of landscape painting that dominated the Scandinavian countries in the 19th century The author shows how the wilderness became a symbol of Nordic strength as well as a counter image to industrialization and European urban culture Edvard Munch Gerd Woll, Edvard Munch, 2001 This book is a long-awaited contribution to the literature on Edvard Munch and his activities as a printmaker It is a valuable reference work for print experts and Munch enthusiasts alike Munch's graphic works have fascinated people all over the world for more than a hundred years He himself arranged a number of exhibitions of his prints and was represented in many print rooms and important private collections in Europe before World War II When he died in 1944 Munch bequeathed his vast collection of some 18 000 prints to the City of Oslo In 1963 the Munch museum opened its doors to the public and since the bequest has shown Munch's prints in numerous exhibitions The author's extensive research and the enormous attention to detail in the individual entries should make this the standard reference work for many years to come **Panic** Brooke Warner, Leonard Schmidt, 2002-08-14 Panic is not a single state with only one set of feelings and predictable emotions The essays and articles in this book span various disciplines psychology medicine literature and history tied together by the common thread of panic including how it is manifested in culture tradition and experience and its differing treatments Included are original as well as previously published writings by Peter A Levine Paul Pitchford and Kim Newman *The First Moderns* William R. Everdell, 2009-02-15 A lively and accessible history of Modernism The First Moderns is filled with portraits of genius and intellectual breakthroughs that richly evoke the fin de siècle atmosphere of Paris Vienna St Louis and St Petersburg William Everdell offers readers an invigorating look at the unfolding of an age This exceptionally wide-ranging history is chock-a-block with anecdotes factoids odd juxtapositions and useful insights Most impressive For anyone interested in learning about late 19th and early 20th century imaginative thought this engagingly written book is a good place to start

Washington Post Book World The First Moderns brilliantly maps the beginning of a path at whose end loom as many diasporas as there are men Frederic Morton The Los Angeles Times Book Review In this truly exciting study of the origins of modernist thought poet and teacher Everdell roams freely across disciplinary lines A brilliant book that will prove useful to scholars and generalists for years to come enthusiastically recommended Library Journal starred review Everdell has performed a rare service for his readers Dispelling much of the current nonsense about postmodernism this book belongs on the very short list of profound works of cultural analysis Booklist Innovative and impressive Everdell has written a marvelous erudite and readable study Mark Bevir Spectator A richly eclectic history of the dawn of a new era in painting music literature mathematics physics genetics neuroscience psychiatry and philosophy Margaret Wertheim New Scientist Everdell has himself recombined the parts of our era s intellectual history in new and startling ways shedding light for which the reader of The First Moderns will be eternally grateful Hugh Kenner The New York Times Book Review Everdell shows how the idea of modernity arose before the First World War by telling the stories of heroes such as T S Eliot Max Planck and Georges Serault with such a lively eye for detail irony and ambiance that you feel as if you re reliving those miraculous years Jon Spayde Utne Reader *Becoming Edvard Munch* Jay Anne Clarke,Edvard Munch,2009 Two potent myths have traditionally defined our understanding of the artist Edvard Munch 1862 1944 he was mentally unstable as his iconic work The Scream 1893 suggests and he was radically independent following his own singular vision Becoming Edvard Munch Influence Anxiety and Myth persuasively challenges these entrenched perceptions In this book Jay A Clarke demonstrates that Munch was thoroughly in control of his artistic identity a savvy businessman skilled in responding to the market and shaping popular opinion Moreover the author shows that Munch was keenly aware of the art world of his day adopting motifs styles and techniques from a wide variety of sources including many Scandinavian artists By presenting Munch s paintings prints and drawings in relation to those of European contemporaries including Harriet Backer James Ensor Vincent van Gogh Max Klinger Christian Krohg and Claude Monet Clarke reveals often surprising connections and influences This interpretive approach grounded in Munch s diaries and letters period criticism and the artworks themselves reintroduces Munch as an artist who cultivated myths both visual and personal Becoming Edvard Munch features beautiful color reproductions of approximately 150 works including 75 paintings and 75 works on paper by Munch and his peers Book jacket Culture and Customs of Norway Margaret Hayford O'Leary,2010-09-16 This thorough introduction to modern day Norway and Norwegian culture shows the impact a small country can have on the world in terms of peace building environmental issues technological innovation and more Culture and Customs of Norway provides an up to date view of Norway showcasing a nation that is part of modern Europe yet zealously maintains its own culture and identity Providing the most current information on a broad range of topics including cinema literature food art performing arts and architecture the book also places modern day Norway in a historical context that makes it possible to understand how Norwegian culture came to be as

it is today Readers will discover a nation that is a fascinating juxtaposition of advanced technology especially in such fields as oil production and climate and some of the most spectacular natural beauty in the world They will read about such famous writers artists and composers as Henrik Ibsen Edvard Munch and Edvard Grieg And they will discover how Norway confronts the challenges of modern society without sacrificing its social democratic philosophy of social justice and shared responsibility both at home and globally

New York Magazine ,1995-11-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Edvard Munch Prints National Gallery of Ireland,2009-06-26 Published to accompany an exhibition at the Hunterian Museum and Art Gallery University of Glasgow from 12 June to 5 September 2009 and the National Gallery of Ireland Dublin from 18 September to 6 December 2009

Norway's War Robert Ferguson,2025-03-27 In the early morning of 9 April 1940 a fleet of German battleships entered the Oslofjord Norwegian artillery delayed them long enough for King Haakon VII and his cabinet to escape to England but there was no stopping the Nazi Blitzkrieg Norway stood on the cusp of a traumatic five year occupation whose aftershocks would continue to trouble its national consciousness long after the defeated Germans departed in May 1945 Robert Ferguson tells the extraordinary and relatively little known story of the occupation and its judicial aftermath He focuses in particular on German attempts to use a Norwegian Nazi administration under Vidkun Quisling to impose a National Socialist revolution on the country and on the many brave and ingenious ways in which the Norwegians resisted Ferguson describes the occupation in all its aspects from Nazi terror to non violent resistance from censorship to sabotage via a series of heterogeneous but interlinked narratives Key players in the occupation and its wider story including the pitiless Reichskommissar Josef Terboven the Norwegian crime writer turned SS

strongman Jonas Lie the principled Lutheran bishop Eivind Berggrav and the enigmatic double agent Gunnar Waaler are drawn in memorably vivid colours A riveting account of the Second World War's forgotten occupation Norway's War evokes in moving fashion the moral and physical courage of a people who faced with the brutal tyranny of a totalitarian invader refused to be cowed

National Galleries Simon Knell, 2016-01-22 Are national galleries different from other kinds of art gallery or museum What value is there for the nation in a collection of international masterpieces How are national galleries involved in the construction national art National Galleries is the first book to undertake a panoramic view of a type of national institution which are sometimes called national museums of fine art that is now found in almost every nation on earth Adopting a richly illustrated globally inclusive comparative view Simon Knell argues that national galleries should not be understood as great galleries but as peculiar sites where art is made to perform in acts of nation building A book that fundamentally rewrites the history of these institutions and encourages the reader to dispense with elitist views of their worth Knell reveals an unseen geography and a rich complexity of performance He considers the ways the national galleries entangle art and nation and the differing trajectories and purposes of international and national art Exploring galleries artists and artworks from around the world National Galleries is an argument about how we think about and study these institutions Privileging the situatedness of each national gallery performance and valuing localism over universalism Knell looks particularly at how national art is constructed and represented He ends with examples that show the mutability of national art and by questioning the necessity of art nationalism

New York Magazine, 1995-09-11 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
