Faces in the Water Phyllis Reynolds Naylor, 2002 Fifteen year old Dan Roberts continues his quest for an explanation to his family's threatening secret as well as the eerie occurrences that continue to haunt him

All but Alice Phyllis Reynolds Naylor, 2012-05-15 There are Alice decides 272 horrible things left to happen to her in her life based on the number of really horrible things that have happened already She figures that out after the disaster of the talent show And she realizes that there is no way to fend them off But she reasons if you don't have a mother maybe a sister would help Maybe lots of sisters A worldwide sisterhood Sisterhood means more sympathy and less likely odds that the next horrible thing will strike when Alice is by herself But Sisterhood also comes with a whole new set of problems for Alice Can she be Sisters with all three girls who want to be her brother Lester's girlfriend In fact how do boys fit into Universal Sisterhood at all And how far should she you go when being part of the crowd means doing something you don't want to do Alice copes with life in her own way and her solutions to her endless problems are often funny and surprisingly right

Starting with Alice Phyllis Reynolds Naylor, 2012-09-04 This is where it all started Eight year old Alice McKinley wants pierced ears really long hair a pet and most of all a mother Oh and some friends would be nice As the new girl in third grade Alice doesn't know a single person in Takoma Park Maryland except for her next door neighbor Donald Sheavers who not only is a boy but also seems to be a little bit peculiar Desperate to meet people Alice learns that making friends is harder than it seems when she runs into a group of girls whom she nicknames the Terrible Triplets after they make it very clear that they do not want to get to know Alice On top of all this Alice also has to keep an eye on Donald's recently divorced mom who seems to have her eye on Alice's dad This is the first of three prequels to Phyllis Reynolds Naylor's beloved Alice series Now younger girls can get to meet the girl everyone wants to be best friends with and older girls will enjoy finding out how Alice came to be the Alice they know and love

You and Me and the Space In Between Phyllis Reynolds Naylor, 2013-05-14 It's Alice's senior year in high school and this three book compilation chronicles every minute Includes Alice in Charge Incredibly Alice and Alice on Board

Intensely Alice Phyllis Reynolds Naylor, 2012-06-12 Wouldn't it be great to go back to the time before Pam got pregnant before Patrick left for the University of Chicago before anyone was making any big decisions about sex or college or life in general Wouldn't it be great to get the whole gang together again just once What it takes for this to happen will

change Alice and the whole gang forever A funeral is not a happy reunion Full of life the good the bad and the heartbreaking this Alice book is a reminder of just how much can change in an instant **Zack and the Turkey Attack!** Phyllis Reynolds Naylor, 2017-10-03 A boy must outsmart a tormenting turkey and solve the mystery surrounding some missing jewelry in this feel good middle grade novel from the Newbery Award winning author of the Shiloh series Zack has a problem A turkey problem A TOM turkey to be exact Every weekend Zack goes to his grandparents farm with his father As soon as he and his dad pull up in the truck that ol Tom turkey s right there waiting ready to peck peck peck at Zack s legs Now Zack isn t usually a scaredy cat but this is different The bird is flat out mean and has clearly got it out for Zack His best friend Matthew thinks he s exaggerating so one weekend Zack brings him along and sure enough the turkey is laying in wait this time for them both The boys realize they need something to turn the tables so they decide to build in Rube Goldberg style a giant LOUD contraption to scare the turkey away for good What the boys don t count on is the seemingly know it all neighbor Josie s news that there s a mysterious robber prowling around the neighborhood Bracelets necklaces and coins have gone missing and the odd thing is that the robber leaves V shaped footprints *A Shiloh Christmas* Phyllis Reynolds Naylor, 2016-09-20 Marty and his best friend Shiloh are on another adventure Marty learns when a secret is too dangerous to keep and that hate can spread like fire *How I Came To Be A Writer* Phyllis Reynolds Naylor, 2001 Details the career of one writer from published pieces to novels written to date *Shiloh Season* Phyllis Reynolds Naylor, 2013-04-02 Marty gets to keep Shiloh He wasn t able to rescue all the dogs that Judd Travers mistreated but at least Shiloh is safe right Not necessarily it turns out With hunting season approaching Judd has started drinking again and hunting on the outskirts of Marty s family property What if Judd tries to take back Shiloh What if one of Marty s sisters gets in the way of Judd s shotgun It seems only a matter of time before something goes very wrong The thing is Marty knows a secret about Judd that no one else does and if anything terrible happens he will never be able to forgive himself for keeping quiet Is it time for Marty to speak up And can he find the courage to do so before someone he loves gets hurt **Alice in April** Phyllis Reynolds Naylor, 2012-05-15 In Alice in April Aunt Sally reminds Alice that she will be turning thirteen soon like anyone could forget such a momentous occasion and that she will be the woman of the house Alice dives into her new role by planning her father s fiftieth birthday party and telling everyone in the family to get a physical But that means Alice herself will have to disrobe at the doctor s Then there s the latest crisis at school where the boys have begun to match each girl with the name of a state according to its geography mountains or no mountains As Alice stumbles her way through the minefield of early adolescence in these six new repackages for Summer there are plenty of bumps giggles and surprises along the way **Roxie and the Hooligans** Phyllis Reynolds Naylor, 2013-11-05 Do not panic Lord Thistlebottom s Book of Pitfalls and How to Survive Them has taught Roxie Warbler how to handle all sorts of situations If Roxie s ever lost in the desert or buried in an avalanche or caught in a dust storm she knows just what to do But Lord Thistlebottom has no advice to help Roxie deal with Helvetia s Hooligans the

meanest band of bullies in school Then Roxie finds herself stranded on a deserted island with not only the Hooligans but also a pair of crooks on the lam and her survival skills may just save the day and turn the Hooligans into surprising allies The Agony of Alice Phyllis Reynolds Naylor,2012-05-15 Life Alice McKinley feels is just one big embarrassment Here she is about to be a teenager and she doesn't know how It's worse for her than for anyone else she believes because she has no role model Her mother has been dead for years Help and advice can only come from her father manager of a music store and her nineteen year old brother who is a slob What do they know about being a teen age girl What she needs Alice decides is a gorgeous woman who does everything right as a roadmap so to speak If only she finds herself when school begins in the classroom of the beautiful sixth grade teacher Miss Cole her troubles will be over Unfortunately she draws the homely pear shaped Mrs Plotkin One of Mrs Plotkin's first assignments is for each member of the class to keep a journal of their thoughts and feelings Alice calls hers The Agony of Alice and in it she records all the embarrassing things that happen to her Through the school year Alice has lots to record She also comes to know the lovely Miss Cole as well as Mrs Plotkin And she meets an aunt and a female cousin whom she has not really known before Out of all this to her amazement comes a role model one that she would never have accepted before she made a few very important discoveries on her own things no roadmap could have shown her Alice moves on ready to be a wise teenager **Almost Alice** Phyllis Reynolds Naylor,2012-06-12 In this twentieth book in the Alice young adult series Alice starts to wonder if she's giving more attention to her friends than she's getting in return Is it possible to be too good a friend too understanding too always there too much well like a doormat Alice has always been a perfect friend to Pamela and Elizabeth but now she's wondering where that leaves her is she just a mother hen an ear for listening an arm around the shoulder The truth is Alice is getting a little envious of all the attention her friends need and get from her and that's turning her into something she's never been before a jealous petty not so perfect best friend But sometimes friends need you more than they let on especially when the unthinkable happens Children's Literature Review Gary Senick,1989-03 Presents literary criticism on writers and illustrators for children and young adults Critical essays are selected from leading sources including published journals magazines books monographs reviews and scholarly papers Mystery of the Island Jewels Joyce A. False Notes Carolyn Keene, 2012-04-24

I'm always up for a good mystery, but when the big question is what I should get Dad for his birthday, I don't have a clue. And then another mystery comes my way, one that involves Heather Simmons, a leading candidate in the upcoming election for mayor of River Heights. My friends and I are pretty sure that her daughter, Leslie, musician extraordinaire, has been kidnapped. But the thing is, nobody is saying a word about it. It's hard to crack a case like this when no one will even admit that one exists. But I won't let a little thing like that stop me when I smell trouble.
