Faces Of History:

Gaza Faces History Enzo Traverso, 2024-10-03 Enzo Traverso delivers a stinging riposte rigorously anchored in his mastery of European Jewish history to the virtually unanimous sanctification by Western elites of Israel's genocidal war on Gaza and their dishonest weaponization of anti-Semitism in some cases by true anti-Semites on the far right to attack supporters of Palestinian rights Rashid Khalidi author of *THE HUNDRED YEARS WAR ON PALESTINE* Is the destruction of Gaza only a consequence of the October 7 2023 attack or is it also the outcome of a long process of dispossession and eradication Do Palestinians have the right to resist the occupation Is talking about genocide anti-Semitism Enzo Traverso goes to the root of the Israeli-Palestinian conflict by calling history into question and offers a critical interpretation that overturns the one-sided perspective from which we have become accustomed to observing what is happening in Gaza **A**

Short History of the English People John Richard Green, 1888 **A People's History of the European Court of Human Rights** Michael Goldhaber, 2007-04-10 The exceptionality of America's Supreme Court has long been conventional wisdom But the United States Supreme Court is no longer the only one changing the landscape of public rights and values Over the past thirty years the European Court of Human Rights has developed an ambitious American style body of law Unheralded by the mass press this obscure tribunal in Strasbourg France has become in many ways the Supreme Court of Europe Michael Goldhaber introduces American audiences to the judicial arm of the Council of Europe a group distinct from the European Union and much larger whose mission is centered on interpreting the European Convention on Human Rights The Council routinely confronts nations over their most culturally sensitive hot button issues It has started down France on the issue of Muslim immigration Ireland on abortion Greece on Greek Orthodoxy Turkey on Kurdish separatism Austria on Nazism and Britain on gay rights and corporal punishment And what is most extraordinary is that nations commonly comply In the battle for the world's conscience Goldhaber shows how the court in Strasbourg may be pulling ahead **A Short History of the English People** Green, 1878 **People's History and Socialist Theory (Routledge Revivals)** Raphael Samuel, 2016-05-12 First published in 1981 this book brings together different types of work by numerous fragmented groups in the field of Marxist history and puts them in dialogue with each other It takes stock of then recent work explores the main new lines and looks at the political and ideological circumstances shaping the direction of historical work past and present The scope of the book is international with contributions on African history fascism and anti-fascism French labour history and the transition from feudalism to capitalism It also incorporates feminist history and gives attention to some of the leading questions raised for social history by the women's movement **A People's History of Christianity** Denis R. Janz, 2014-03 On its release the seven volume *A People's History of Christianity* was lauded for its commitment to raising awareness of the ways in which ordinary Christians have lived throughout more than twenty centuries of Christian History Now the essential material from that important project is available for classroom use Each volume contains careful **History of the**

English People John Richard Green,1884 **A Mad People's History of Madness** Dale Peterson,1982-03-15 A man desperately tries to keep his pact with the Devil a woman is imprisoned in an insane asylum by her husband because of religious differences and on the testimony of a mere stranger a London citizen is sentenced to a private madhouse This anthology of writings by mad and allegedly mad people is a comprehensive overview of the history of mental illness for the past five hundred years from the viewpoint of the patients themselves Dale Peterson has compiled twenty seven selections dating from 1436 through 1976 He prefaces each excerpt with biographical information about the writer Peterson's running commentary explains the national differences in mental health care and the historical changes that have take place in symptoms and treatment He traces the development of the private madhouse system in England and the state run asylum system in the United States Included is the first comprehensive bibliography of writings by the mentally ill **A People's History of World War II** Marc Favreau,2011-09-20 The most destructive war in human history World War II continues to generate an astonishingly rich trove of historical material writings and first person recollections which are essential to any appreciation of this most pivotal of historical events A People's History of World War II brings the full range of human experience during World War II to life through some of the most vivid accounts and images available anywhere This concise and accessible volume includes first person interviews by Studs Terkel rare archival photographs from the Office of War Information collection propaganda comics from Theodore Geisel Dr Seuss narratives of wartime experiences from writers including historian Howard Zinn civil rights activist Robert L Carter and celebrated French author Marguerite Duras and selections from the writings of some of the world's leading historians of the war including John Dower Philippe Burrin David Wyman and Eric Hobsbawm **A Short History of the Egyptian People** Sir Ernest Alfred Wallis Budge,1914 Young People's History of the United States Edward Sylvester Ellis,1901 **Voices of a People's History of the United States** Howard Zinn,Anthony Arno,2011-01-04 Here in their own words are Frederick Douglass George Jackson Chief Joseph Martin Luther King Jr Plough Jogger Sacco and Vanzetti Patti Smith Bruce Springsteen Mark Twain and Malcolm X to name just a few of the hundreds of voices that appear in Voices of a People's History of the United States edited by Howard Zinn and Anthony Arno Paralleling the twenty four chapters of Zinn's A People's History of the United States Voices of a People's History is the long awaited companion volume to the national bestseller For Voices Zinn and Arno have selected testimonies to living history speeches letters poems songs left by the people who make history happen but who usually are left out of history books women workers nonwhites Zinn has written short introductions to the texts which range in length from letters or poems of less than a page to entire speeches and essays that run several pages Voices of a People's History is a symphony of our nation's original voices rich in ideas and actions the embodiment of the power of civil disobedience and dissent wherein lies our nation's true spirit of defiance and resilience **A People's History of the Vampire Uprising** Raymond A. Villareal,2017-05-09 In this ambitious and wildly original debut part social political satire part international

mystery a new virus turns people into something a bit more than human upending society as we know it This panoramic fictional oral history begins with one small mystery the body of a young woman found in an Arizona border town presumed to be an illegal immigrant disappears from the town morgue To the young CDC investigator called in to consult with the local police it s an impossibility that threatens her understanding of medicine Then more bodies dead from an inexplicable disease that solidified their blood are brought to the morgue only to also vanish Soon the U S government and eventually biomedical researchers disgruntled lawmakers and even an insurgent faction of the Catholic Church must come to terms with what they re too late to stop an epidemic of vampirism that will sweep first the United States and then the world With heightened strength and beauty and a steady diet of fresh blood these changed people or Gloamings rapidly rise to prominence in all aspects of modern society Soon people are beginning to be re created willingly accepting the risk of death if their bodies can t handle the transformation As new communities of Gloamings arise society is divided and popular Gloaming sites come under threat from a secret terrorist organization But when a charismatic and wealthy businessman recently turned runs for political office well all hell breaks loose Told from the perspective of key players including a cynical FBI agent an audacious campaign manager and a war veteran turned nurse turned secret operative *A People s History of the Vampire Uprising* is an exhilarating genre bending debut that is as addictive as the power it describes

A People's History of London Lindsey German, John Rees, 2012-06-19 In the eyes of Britain s heritage industry London is the traditional home of empire monarchy and power an urban wonderland for the privileged where the vast majority of Londoners feature only to applaud in the background Yet for nearly 2000 years the city has been a breeding ground for radical ideas home to thinkers heretics and rebels from John Wycliffe to Karl Marx It has been the site of sometimes violent clashes that changed the course of history the Levellers doomed struggle for liberty in the aftermath of the Civil War the silk weavers match girls and dockers who crusaded for workers rights and the Battle of Cable Street where East Enders took on Oswald Mosley s Black Shirts *A People s History of London* journeys to a city of pamphleteers agitators exiles and revolutionaries where millions of people have struggled in obscurity to secure a better future

Hamilton: A People's History Bill Freeman, 2006-10-14 Pioneers soldiers merchants murderers workers and bosses all contributed to the colourful history of the tough attractive city of Hamilton Popular historian Bill Freeman tells the story of the city from the time of its earliest habitation through the War of 1812 on to its heyday as a major manufacturing centre The key roles that the railway and Hamilton s spectacular geography played in the city s development are fully described and the many forceful personalities who shaped Hamilton s history are brought to life Bill Freeman s lively account superbly balances social political and labour themes to give the reader a deep understanding of the city s past The product of extensive research illustrated with over 200 contemporary and archival images *Hamilton A People s History* offers a vivid portrait of one of Ontario s most prosperous and appealing cities

Voices of a People's History of the United States in the 21st Century Anthony Arnove, Haley Pessin, 2023-11-07

Twenty first century social movements come to life through speeches essays and other documents of activism protest and social change Gathering more than 100 texts from social movements that have shaped the 21st century this powerful book includes contributions from Angela Y Davis Nick Estes Colin Kaepernick Rebecca Solnit Christian Smalls Viet Thanh Nguyen Howard Zinn Rev William Barber Bree Newsome Kimberl Crenshaw Tarana J Burke Dream Defenders Sins Invalid Mariame Kaba Naomi Klein Keeanga Yamahtta Taylor Linda Sarsour Chelsea E Manning Chrishaun CeCe McDonald Julian Brave NoiseCat H Melt and others Inspired by the original Voices of a People s History of the United States the book features speeches essays poems and calls to action from Black Lives Matter MeToo Indigenous struggles immigrant rights activists the environmental movement disability justice organizers and frontline workers during the global pandemic who spoke out against the life threatening conditions of their labor Together their words remind us that history is made not only by the rich and powerful but by ordinary people taking collective action

A People's History of Riots, Protest and the Law Matt Clement, 2016-06-21 This book examines how movements from below pose challenges to the status quo The 2010s have seen an explosion of protest movements sometimes characterised as riots by governments and the media But these are not new phenomena rather reflecting thousands of years of conflict between different social classes Beginning with struggles for democracy and control of the state in Athens and ancient Rome this book traces the common threads of resistance through the Middle Ages in Europe and into the modern age As classes change so does the composition of the protestors and the goals of their movements the one common factor being how groups can mobilise to resist unbearable oppression thereby developing a crowd consciousness that widens their political horizons and demonstrates the possibility of overthrowing the existing order To appreciate the roots and motivations of these so called deviants the author argues that we need to listen to the sound of the crowd This book will be of interest to researchers of social movements protests and riots across sociology history and international relations

A People's History of Baseball Mitchell Nathanson, 2012-03-30 Baseball is much more than the national pastime It has become an emblem of America itself From its initial popularity in the mid nineteenth century the game has reflected national values and beliefs and promoted what it means to be an American Stories abound that illustrate baseball s significance in eradicating racial barriers bringing neighborhoods together building civic pride and creating on the field of play an instructive civics lesson for immigrants on the national character In A People s History of Baseball Mitchell Nathanson probes the less well known but no less meaningful other side of baseball episodes not involving equality patriotism heroism and virtuous capitalism but power how it is obtained and how it perpetuates itself Through the growth and development of baseball Nathanson shows that if only we choose to look for it we can see the petty power struggles as well as the large and consequential ones that have likewise defined our nation By offering a fresh perspective on the firmly embedded tales of baseball as America a new and unexpected story emerges of both the game and what it represents Exploring the founding of the National League Nathanson focuses on the newer Americans who sought club

ownership to promote their own social status in the increasingly closed caste of nineteenth century America His perspective on the rise and public rebuke of the Players Association shows that these baseball events reflect both the collective spirit of working and middle class America in the mid twentieth century as well as the countervailing forces that sought to beat back this emerging movement that threatened the status quo And his take on baseball's racial integration that began with Branch Rickey's Great Experiment reveals the debilitating effects of the harsh double standard that resulted requiring a black player to have unimpeachable character merely to take the field in a Major League game a standard no white player was required to meet Told with passion and occasional outrage *A People's History of Baseball* challenges the perspective of the well known deeply entrenched hyper patriotic stories of baseball and offers an incisive alternative history of America's much loved national pastime

A People's History of the American Revolution Ray Raphael, 2011-05-24 The best single volume history of the Revolution I have read Howard Zinn Upon its initial publication Ray Raphael's magisterial *A People's History of the American Revolution* was hailed by NPR's Fresh Air as relentlessly aggressive and unsentimental With impeccable skill Raphael presented a wide array of fascinating scholarship within a single volume employing a bottom up approach that has served as a revelation *A People's History of the American Revolution* draws upon diaries personal letters and other Revolutionary era treasures weaving a thrilling you are there narrative a tapestry that uses individual experiences to illustrate the larger stories Raphael shifts the focus away from George Washington and Thomas Jefferson to the slaves they owned the Indians they displaced and the men and boys who did the fighting Los Angeles Times Book Review This remarkable perspective on a familiar part of American history helps us appreciate more fully the incredible diversity of the American Revolution Kirkus Reviews Through letters diaries and other accounts Raphael shows these individuals white women and men of the farming and laboring classes free and enslaved African Americans Native Americans loyalists and religious pacifists acting for or against the Revolution and enduring a war that compounded the difficulties of everyday life Library Journal A tour de force Ray Raphael has probably altered the way in which future historians will see events The Sunday Times
