## **Faith And Doubt In The Centurys Poets:**

*Faith and Doubt in the Century's Poets* Richard Acland Armstrong, 1898      **Faith and Doubt in the Century's Poets**  
Richard Acland Armstrong, 1970      *FAITH & DOUBT IN THE CENTURYS* Richard Acland 1843-1905 Armstrong, 2016-08-26  
This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps, as most of these works have been housed in our most important libraries around the world and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity, individual or corporate, has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.      *Faith and Doubt in the Century's Poets (Classic Reprint)* Richard an Armstrong, 2015-07-13  
Excerpt from *Faith and Doubt in the Century s Poets*. The following chapters comprise lectures delivered to my own congregation on Sunday evenings. I have somewhat modified or enlarged one or two of them, but I have not sought to erase traces of oral delivery and direct address. In selecting six English poets representative of the religious Faith and Doubt which have contended for sway over the mind of our age, I may seem to have been somewhat arbitrary. But Byron s passionate nature little lent itself to the philosophic consideration of the profoundest themes, though Mr Stopford Brooke has much to say on his influence in theology. Coleridge s considerable influence on religious thought was through his prose rather than his poems. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com). This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.      *The Church Eclectic*, 1899  
*The New York Times Guide to Essential Knowledge* The New York Times, 2004-11-05. From the New York Times comes a thorough, authoritative, easy-to-use guide to a broad range of essential subjects.      *Alfred Tennyson* Laurence W. Mazzeno, 2004. The poet s reputation has weathered even the most vitriolic attempts to discredit both the man and his writings, and as criticism of the late twentieth century demonstrates, Tennyson s claim to pre-eminence among the Victorians is now unchallenged.      Matthew Arnold Laurence W. Mazzeno, 1999. Examines the critical reputation of one of the great literary critics. From the publication of *The Strayed Reveller and Other Poems* in 1849, Matthew Arnold has been a figure of

controversy who sparked decidedly strong and divergent opinions both about the quality of his artistry and about the ideas he espoused Not surprisingly a chronological reading of books and articles focusing on Arnold s writings reveals a century long civil war among literary scholars Focusing on studies judged to be most influential in shaping critical opinion of Arnold s poetry and prose Matthew Arnold *The Critical Legacy* explores the interplay between individual critics and Arnold s works and between one critic and another as they respond to Arnold s writings and the critical commentary There emerges an appreciation for the key questions that have captured the attention of Arnold s critics for over a hundred years Was Arnold a first rate poet or does he rank below the greatest figures of his century notably Tennyson and Browning Illustrated Catalogue of Books, Standard and Holiday McClurg, Firm, Booksellers, Chicago,1900 **Scottish Religious Poetry** Linden Bicket,2024-06-20 A comprehensive selection of religious poetry that Scotland has produced over the centuries including some Gaelic voices and reflecting the mixed religious profile of Scotland today An earlier edition published in 2000 was a huge success selling out very quickly This eagerly awaited follow up offers the very best from a diverse often turbulent history and reveals an attractive and distinctive spirituality that is unique to Scotland The poetry spans 15 centuries and includes poets from every corner of Scotland It reflects the rich range of language across regions and centuries and is a unique collection of the deepest religious thought of a nation Selected and introduced by three experts in the field this offers an attractive and informed volume that will appeal to all lovers of Scottish literature **Browning and His Century** Helen Archibald Clarke,1912 **The Cambridge History of American Literature: Volume 4, Nineteenth-Century Poetry 1800-1910** Sacvan Bercovitch,Cyrus R. K. Patell,1994 This is the first complete narrative history of nineteenth century American poetry Barbara Packer explores the neoclassical and satiric forms mastered by the early Federalist poets the creative reaches of once celebrated and still compelling poets like Longfellow and Whittier the distinctive lyric forms developed by Emerson and the Transcendentalists Shira Wolosky provides a new perspective on the achievement of female poets of the period as well as a close appreciation of African American poets including the collective folk authors of the Negro spirituals She also illuminates the major works of the period from Poe through Melville and Crane to Whitman and Dickinson The authors of this volume discuss this extraordinary literary achievement both in formal terms and in its sustained engagement with changing social and cultural conditions In doing so they recover and elucidate American poetry of the nineteenth century for our twenty first century pleasure profit and renewed study *The Greater English Poets of the Nineteenth Century* William Morton Payne,1907 Teaching Nineteenth-Century Literature Rachel Fenn,Anna McGlynn,2019-03-14 Teaching nineteenth century literature can be an incredibly rewarding experience resulting in lessons which are exciting and engaging and enable amazing levels of student progress This essential handbook guides teachers through the key events of the period offering theoretical approaches and a wealth of practical ideas for teaching nineteenth century fiction and poetry in the secondary classroom Supporting and inspiring teachers as they introduce nineteenth

century texts to their students and nurture their interest and enthusiasm for the genre Teaching Nineteenth Century Literature provides a grounding in the major historical events of the nineteenth century describes pedagogical approaches to teaching fiction and poetry and offers step by step guidance on the use of literary resources Chapters offer advice on overcoming the particular challenges of the genre including unwieldy plots complex vocabulary and unfamiliar sentence structures and illustrate how texts from the period can be made fully accessible to even the youngest pupils With a range of detailed activities photocopiable lesson plans case studies and extracts for use in the classroom teachers will be able to quickly and easily build a scheme of work that is stimulating and beneficial for children of varying abilities Equipping teachers with the knowledge understanding and resources they need to teach nineteenth century literature in an engaging inspiring and intellectually stimulating way this practical and accessible text will be an invaluable resource for secondary school English teachers students and trainees

**Encyclopedia of American Poetry: The Nineteenth Century** Eric L. Haralson, 2014-01-21 With contributions from over 100 scholars the Encyclopedia of American Poetry The Nineteenth Century provides essays on the careers works and backgrounds of more than 100 nineteenth century poets It also provides entries on specialized categories of twentieth century verse such as hymns folk ballads spirituals Civil War songs and Native American poetry Besides presenting essential factual information each entry amounts to an in depth critical essay and includes a bibliography that directs readers to other works by and about a particular poet

**Form and Faith in Victorian Poetry and Religion** Kirstie Blair, 2012-05-24 Kirstie Blair explores Victorian poetry in relation to Victorian religion with particular emphasis on the bitter contemporary debates over the use of forms in worship She argues that poetry made significant contributions to these debates not least through its formal structures By assessing the discourses of church architecture and liturgy in the first half of the book Form and Faith in Victorian Poetry and Religion demonstrates that Victorian poets both reflected on and affected ecclesiastical practices The second half of the book focuses on particular poets and poems including Browning's Christmas Eve and Tennyson's In Memoriam to show how High Anglican debates over formal worship were dealt with by Dissenting Broad Church and Roman Catholic poets and other writers This book features major Victorian poets Tennyson the Brownings Rossetti Hopkins Hardy from different Christian denominations but also argues that their work was influenced by a host of minor and less studied writers particularly the Tractarian or Oxford Movement poets whose writings are studied in detail here Form and Faith presents a new take on Victorian poetry by showing how important now forgotten religious controversies were to the content and form of some of the best known poems of the period In methodology and content it also relates strongly to current critical interest in poetic form and formalism while recovering a historical context in which form carried a particular weight of significance
