Faith Of The Old Testament:

The Faith of the Old Testament Alexander Nairne,1914 **The Christian Faith and the Old Testament** John Martin Thomas,1908 *Old Testament Heroes of the Faith* Frank Theodosius Lee,1920 **The Faith of the Old Testament** Werner H. Schmidt,1983-01-01 Intended as a student textbook on the religion of Israel Werner Schmidt s The Faith of the Old Testament is especially relevant to theology A great deal of attention is given to ideas of God and there are ample references to Old Testament texts **The Old Testament Roots of Our Faith** Paul J. Achtemeier,Elizabeth Rice Achtemeier,1979-01-01 Christian Faith in the Old Testament Gareth Lee Cockerill,2014-02-18 Sometimes it is easy to view the Old Testament as difficult to apply to our day to day lives As contemporary Christians we may even wonder whether it is possible for us to establish our apostolic roots in the Old Testament Christian Faith in the Old Testament helps us complete this daunting task with ease In this intriguing and informative study Gareth Lee Cockerill helps us view the New Testament as a fulfillment of the Old Testament giving us a broad perspective on Scripture as a whole In language that is easily accessible to the layperson Gareth explores the role of each major part of the Old Testament Canon and what part each plays in the total scope of biblical revelation Additionally Christian Faith in the Old Testament offers important guidance to contemporary believers about how each part of the Old Testament Canon applies today This book is the perfect choice for intelligent modern Christians looking to discover their apostolic roots in the Old Testament Features include Understand how the Old Testament applies to life today Discover the contemporary Christian s apostolic roots in the Old Testament Gain a broad perspective on Scripture as a whole *Faith and History in the Old Testament* Roderick Andrew Francis MacKenzie,1963 This absorbing and readable account of the religion of ancient Israel is presented against the background of other cultures of the time Father MacKenzie traces the development of Israel s belief and draws upon modern knowledge of the cultures of the ancients The Old Testament and Christian Faith Bernhard W. Anderson,2010-06-01 List of Contributors Rudolf Bultmann Alan Richardson Carl Michalson Eric Voegelin Wilhelm Vischer John L McKenzie Oscar Cullmann James M Robinson John Dillenberger G Ernest Wright Claus Westermann Bernhard W Anderson Emil Brunner **Old Testament Theology** Hermann Schultz,1898 **The Old Testament Roots of Our Faith** Paul J. Achtemeier,Elizabeth Rice Achtemeier,1994 The heart of the Christian faith rests upon the confession Jesus is Lord yet faithful Christians sometimes overlook the fact that the Lordship of Jesus is firmly rooted in the promises and prophecies of the Old Testament Moreover knowing Jesus more fully entails knowing the story of God s salvation that was planned before the foundation of the world Modern readers tend to forget that the declaration before Abraham was I am underscores the continuity between the promise to Abraham and its fulfillment in Christ Acquiring a basic understanding of the relationship between the Old and New Testaments with respect to salvation s drama will enrich every reader s faith and appreciation for the Scriptures

God with Us Christoph Barth, 1991-04-30 This is a print on demand book and is therefore non returnable God s dynamic initiative is the main theme of biblical testimony says Christoph Barth Here he expounds the message of the Old Testament in a manner that is faithful to the Old Testament itself as an account of the mighty acts of God rather than a series of abstract doctrines A theology of the Old Testament is not simply a study of God however Old Testament theology also encompasses teaching about the world and humanity about life and death about origin nature and destiny And Old Testament theology must also take into account the New Testament which confirms what is announced in Israel s Scripture and thus is part of it Barth elucidates the importance of the Old Testament for the New Testament and hence for Christians surveys God s redemptive acts as recorded in the confessional summaries of history in the Old and New Testaments and offers contemporary applications of these biblical themes Working his way through the Old Testament Barth treats nine key topics each of which deals with one of the divine acts that are the essential subject matter of Israel s Scripture creation election of the patriarchs exodus wilderness wandering Sinai revelation gift of Canaan election of David kingship election of Jerusalem and sending of prophets He has divided each of the nine chapters into sections on one main aspect of the topic considering theological anthropological soteriological and eschatological points as well Throughout his examination of each theme Barth pays special attention to its scriptural context God With Us is an excellent textbook for introductory or survey courses in the Old Testament each section begins with a thesis statement summarizing its contents and details are treated in small print sections Barth originally wrote his Old Testament theology in Indonesian and later rewrote the entire book in English Geoffrey Bromiley has condensed the original four volumes in this edition Grace and Faith in the Old Testament Ronald M. Davis, 2001-01-25 This is a book about getting and staying involved with God what it takes what it costs what it looks and feels like why anyone would want to do it anyway It is at the same time a book about reading the Old Testament as a source of Good News and guidance for our life with God The key piece of Good News that the Old Testament communicates over and over again is that God is involved with us deeply and irrevocably so from the Introduction With sound scholarship and her own vivid translations from the Hebrew Old Testament professor Ellen Davis teaches us a spiritually engaged method of reading scripture Beginning with the psalms whose frank prayers can be a model for our own Davis reflects on the stories of the patriarchs and the pastoral wisdom of the book of Job Proverbs Ecclesiastes and the Song of Songs in helping us cultivate those habits of the heart that lead to a rich relationship with God The Old Testament Roots Of Our Faith Paul And Elizabeth Achtemeier, 2023-07-18 An exploration of the connection between the Old Testament and Christian faith with insights into the historical and cultural context of the Bible Includes discussion questions for personal or group study This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United
