The Catholic Passion David Scott, 2010-06 The Catholic faith is not a set of rules or a body of doctrines but is a way of life writes David Scott It s a lived faith that contains convincing intellectually coherent and spiritually fulfilling answers to the biggest questions Who is God Who is Jesus Why are we here Where are we going The Catholic Passion invites readers into a conversation about the things that matter most It is not an argument for the Catholic faith but a journey to the heart of it a richly rewarding reflection on prayer the Bible sacraments the church and God made human in Jesus Christ Scott does not tell the story of the faith through church documents or catechism quotations Instead he looks at the faith experience of real Catholics people like the American writer Andre Dubus the French composer Olivier Messiaen the Chinese human rights activist Henry Wu the French martyr Charles de Foucauld and the American reformer Dorothy Day These and other Catholics embody a faith that warms the heart as it enlightens the mind One theme emerges from Scott s reflections on the lives of Catholics and the Scriptures God s passion of love for humankind burns on in the Catholic Church The Catholic passion is the conviction that there is nothing God will not do to win our love The Catholic Passion is a monumental work David Scott weaves material from scripture history the arts the liturgy theology spirituality and personal reflection showing us that nothing human is alien to Christ and nothing divine is withheld from God s people Scott Hahn author of The Lamb s Supper The Catholic Passion is a masterwork beautiful compelling and wonderfully readable an outstanding portrait of what Catholics believe and why I highly recommend it Charles J Chaput OFM Cap archbishop of Denver David Scott helps us see a vibrant Catholicism that offers brilliant meaning in a world darkened by materialism and violence He presents a vision that allows the treasures of the past to envision an orthodox Catholicism for the future Fr Mitch Pacwa SJ EWTN

Passion's Fictions from Shakespeare to Richardson Benedict S. Robinson, 2021 Passion s Fictions traces the intimate links between literature and the sciences of mind and soul from the age of Shakespeare to the rise of the novel It chronicles the emergence of new sciences of the passions between the sixteenth and eighteenth centuries and it argues that this history was shaped by rhetoric that contained the most extensively particularized discourse on the passions offering principles for moving and affecting the passions of others in concrete social scenes This rhetoric of the passions centered on narrative as the instrument of a non theoretical knowledge of the passions in their particularity predicated on an account of passion as an intimate relation between an impassioned mind and an impassioning world rhetoric offers a kind of externalist psychology formalized in the relation of passion to action and underwriting an account of narrative as a means of both moving passion and knowing it This volume describes the psychology of the passions before the discipline of psychology tracing the influence of rhetoric on theories of the passions from Francis Bacon to Adam Smith and using that history to read literary works by Shakespeare Milton Haywood Richardson and others Narrative offers a means of knowing and moving the passions by tracing them to the events and objects that generate them the history of narrative

practices is thus a key part of the history of the psychology of the passions at a critical moment in its development

A Complicated Passion Carrie Rickey, 2024-08-13 A compact complete and highly enjoyable book A S Hamrah Bookforum The first major biography of the French filmmaker hailed by Martin Scorsese as one of the Gods of cinema Over the course of her sixty five year career the longest of any female filmmaker Agn s Varda 1928 2019 wrote and directed some of the most acclaimed films of her era from her tour de force *Cl o* from 5 to 7 1962 a classic of modernist cinema to the beloved documentary *The Gleaners and I* 2000 four decades later She helped to define the French New Wave inspired an entire generation of filmmakers and was recognized with major awards at the Cannes Berlin and Venice Film Festivals as well as an honorary Oscar at the Academy Awards In this lively biography former Philadelphia Inquirer film critic Carrie Rickey explores the complicated passions that informed Varda s charmed life and indelible work Rickey traces Varda s three remarkable careers as still photographer as filmmaker and as installation artist She explains how Varda was a pioneer in blurring the lines between documentary and fiction using the latest digital technology and carving a path for women in the movie industry She demonstrates how Varda was years ahead of her time in addressing sexism abortion labor exploitation immigrant rights and race relations with candor and incisiveness She makes clear Varda s impact on contemporary figures like Ava DuVernay Greta Gerwig Barry Jenkins the Safdie brothers and Martin Scorsese who called her one of the Gods of cinema And she delves into Varda s incredibly rich social life with figures such as Harrison Ford Jean Luc Godard Jim Morrison Susan Sontag and Andy Warhol and her nearly forty year marriage to the celebrated director Jacques Demy A *Complicated Passion* is the vibrant biography that Varda regarded by many as the greatest female filmmaker of all time has long deserved *Enlightenment, Passion, Modernity* Mark S. Micale, Robert L. Dietle, Peter Gay, 2000 Enriched by the methods and insights of social history the history of mentalities linguistics anthropology literary theory and art history intellectual and cultural history are experiencing a renewed vitality The far ranging essays in this volume by an internationally distinguished group of scholars represent a generous sampling of these new studies *The Ober-Ammergau Passion Play* John P. Jackson, 1900

Passion, Death, and Spirituality Kathleen Higgins, David Sherman, 2012-05-30 Robert C Solomon who died in 2007 was Professor of Philosophy and Quincy Lee Centennial Professor of Business at the University of Texas USA As the first book comprehensively to examine the breadth of Solomon s contribution to philosophy this volume ranks as a vital addition to the literature It includes a newly published transcript of Solomon s last talk which responded to Arindam Chakrabarti on the concept of revenge as well as the considered views of prominent figures in the numerous subfields in which Solomon worked The content analyses his perspectives on the philosophy of emotion virtue business ethics and religion in addition to philosophical history existentialism and the many other topics that held this prolific thinker s attention Solomon memorably defined philosophy itself as the thoughtful love of life and despite the diversity of his output he was most drawn by central questions about the meaning of life the essential role that emotions play in finding that

meaning and the human imperative to seek emotional integrity in which one's thoughts, emotions, and actions all contribute to a coherent narrative. The essays included here draw attention to the interconnections between the issues Solomon addressed and evince the manner in which he embodied that integrity, living a life at one with his philosophy. They emphasize the central themes of passion, ethics, and spirituality which threaded through his work and the way these ideas informed his views on how we should approach grief and death. The multiplicity of topics alone make this keystone work an enlightening read for a full spectrum of students of philosophy, providing much to ponder and recounting a subtle and shining example of the emotional integrity Solomon worked so hard to define.

Witnesses of God's Redemptive Passion Stephen J.

Schafers, 2024-10-08 Embark on a transformative journey through the Old Testament where ancient narratives come alive with renewed depth and relevance. In *Witnesses of God's Redemptive Passion*, Stephen J. Schafers masterfully weaves Bible storytelling with insightful reflections, allowing readers to experience the lives of biblical figures as never before. From the dawn of creation to the return of the exiles, this imaginative narration chronicles the stories of Noah, Abraham, Isaac, Joseph, Moses, the judges, and the monarchies of Israel. Each account is enriched with context and color yet remains faithful to the theme of redemption in the Bible. Through these narratives, the book highlights the spiritual struggles in the Bible, drawing parallels between the challenges faced by ancient figures and those encountered by modern readers. Central to this work is the exploration of foreshadowing Jesus in the Old Testament. Schafers delves into how the lives and experiences of these early witnesses point toward the coming Messiah, culminating in a profound examination of Jesus as the fulfillment of the Old Testament prophecies. This perspective offers readers a deeper understanding of the continuity and purpose woven throughout Scripture. Beyond historical recounting, the book offers practical insights for today's believers. By examining the life application of the Old Testament, readers are encouraged to reflect on their own faith journeys, drawing inspiration and caution from the triumphs and failures of these biblical characters. The narratives serve as both a mirror and a guide, offering life lessons from the Old Testament that resonate with contemporary spiritual pursuits. *Witnesses of God's Redemptive Passion* is more than a retelling; it's an invitation to engage deeply with Scripture to see oneself in its stories and to grasp the enduring message of redemption that threads from Genesis to Revelation. Whether you're a seasoned theologian or a curious seeker, this book promises to enrich your understanding and invigorate your faith.
