The diagram illustrates the experimental setup. A subject is seated at a table, looking at a computer monitor. On the monitor, a starting point (a large circle) and a target (a small circle) are displayed. The subject's hand is positioned at the starting point. The distance between the starting point and the target is labeled 'D'. The distance from the starting point to the monitor is labeled 'L'. The distance from the monitor to the target is labeled 'D-L'.
