THE RESPECT

It's amazing how much the love for respect has faded away.
People are not caring at the things that matter the most in
their lives for respect to be lost.

From John High School

RESPECT

College life is not exactly what those respected like. Now, those
most respected are not respected. There's a new thing called
respecting and it's the only thing that's left.

From John

THESE ARE THE BEST

It is a world of self-importance people. Some are not even aware of what's
most important. So, respect is what matters. But the best
thing about it is that it's just what it is.

From John
