Prompting	From others – questioning response (baby pointing)	Parent might ask "do you want an apple?"

- How are Vygotsky's theory of sociocultural development and his theory of language development related?
- What is an example of teaching vocabulary in a content lesson and using the ZPD?

Stages of Language Development

Even though the Holophrastic stage might not be the age you are teaching, if a student is learning a language for the first time or is developmentally challenged, think about how these stages might be applicable in your classroom and how you can respectfully teach this student.
